William was a farmer. Lived on the same farm for 40 years near Mt Zion U.B

5-2-9 CATHERINE born probably well into the 1740s, named fourth among daughters in 1764 settlement by which date she was wife of Andrew/Andreas Straub (per IHDeL; Herring has Andres). A descendant is Louise Varisco, Strongsville, Ohio, 1992.

POSSIBLE SON, BUT HIGHLY QUESTIONABLE:

X-X-X JOHN LUCAS A son of this name has been attributed in print to Abraham, but he is not named in the 1764 estate settlement and I suggest he does not belong here. I suggest he was a Lang/Long. He is reported as John Lucas Lang at the baptism of son Philip Jacob born 5 Aug 1773; bp. 29 Aug 1773 at Allemaengel Lutheran Church, sponsors Philip and Barbara Brobst. (In a fairly new book of Berks Co births and bpts., Philip Jacob's father is shown not as John Lucas Long but as Johannes DeLong. And the church is identified as the Jeruselem "Red" Church in Albany Twp.) He is supposedly recorded as DeLang or DeLong at the 1768 baptism of John Jacob (5-2-2-2), also the same year at baptism of a son of Martin and Barbara Forsch. The original manuscript needs to be seen. (Allemaengel is, I have been told, a geographical area. Mrs. Sell said John Lucas appears in the records of the Jerusalem "Red" Church in Lehigh Co. 1/2 mile from Frieden's "White" church, and 3/4 mile from Lynn Twp. I assume, but could be wrong, that the former would be the Allemaengel Lutheran Church of Albany Twp.)

X-X-X-X PHILIP JACOB b. 1773, see text above.

POSSIBLE GRANDSON

X-X-X JONATHON. A Jonathon received Depreciation pay for service in the Continental Army in 1785, together with Abraham and John. The latter two were Abraham (5-2)'s sons of those names, or perhaps all three were grandsons (PA Archives V:4:317)

Abraham DeLong 1706 - 1756 (had younger bro. Pieter (d 1760)
Travels: Ulster Co., NY to Delaware River (near present site of Port Jervis, NY) down the river to a point in NW - New Jersey -- made log rafts to go down river to present site of Easton, PA -- southwesterly through Northhampton County. Abraham stopped in Lynn Township while Pieter continued on, finally settling down in Berks Co. some 15 miles southwards from his brother's place. Here they both remained till their deaths.

Pieter died in 1760 & left 9 surviving children.
Abraham died in 1756 & left a family of 9 children.

While looking through John D. Baldwin's Volume 8 DeLongs (Unplaced Delongs and Cross Reference by Location) found mention of:
PENNSYLVANIA CROSS REFERENCES NORTHAMPTON CO.: ABRAHAM (5-2) b. perhaps 1710-11 settled Lynn Twp., now Lehigh Co., by 1748.

5-2-1 PETER estimated birth around 1733. He is the only child called by name in his father's 1755 will. Presumably the oldest son and perhaps the only son not a minor. Named in 1764 settlement. Nothing more is known of him. Perhaps he was the Peter, single in 1777 at baptism of Abraham (5-1-6-1). However, Peter (5-1-4-2) was a closer relative and thus a better candidate.

5-2-6 RACHEL presumably oldest daughter, named in 1764 settlement and obviously unmarried at that time. In order to accomodate John as being old enought, though scarcely, to become a father in 1757, I have placed him and his three older brothers as born in the period from 1733 to 1741. As oldest daughter, she too is likely in this period or even earlier.

5-2-6 RACHEL presumably oldest daughter, named in 1764 settlement and obviously unmarried at that time. In order to accomodate John as being old enought, though scarcely, to become a father in 1757, I have placed him and his three older brothers as born in the period from 1733 to 1741. As oldest daughter, she too is likely in this period or even earlier.

Child: **Matthais/Matthew DeLong**

5-2-9 CATHERINE born probably well into the 1740s, named fourth among daughters in 1764 settlement by which date she was wife of Andrew/Andreas Straub (per IIIDeL; Herring has Andres). A descendant is Louise Varisco, Strongsville, Ohio, 1992.

POSSIBLE SON, BUT HIGHLY QUESTIONABLE:

X-X-X JOHN LUCAS A son of this name has been attributed in print to Abraham, but he is not named in the 1764 estate settlement and I suggest he does not belong here. I suggest he was a Lang/Long. He is reported as John Lucas Lang at the baptism of son Philip Jacob born 5 Aug 1773; bp. 29 Aug 1773 at Allemaengel Lutheran Church, sponsors Philip and Barbara Brobst. (In a fairly new book of Berks Co births and bpts., Philip Jacob's father is shown not as John Lucas Long but as Johannes DeLong. And the church is identified as the Jeruselem "Red" Church in Albany Twp.) He is supposedly recorded as DeLang or DeLong at the 1768 baptism of John Jacob (5-2-2-2), also the same year at baptism of a son of Martin and Barbara Forsch. The original manuscript needs to be seen. (Allemaengel is, I have been told, a geographical area. Mrs. Sell said John Lucas appears in the records of the Jerusalem "Red" Church in Lehigh Co. 1/2 mile from Frieden's "White" church, and 3/4 mile from Lynn Twp. I assume, but could be wrong, that the former would be the Allemaengel Lutheran Church of Albany Twp.)

X-X-X-X PHILIP JACOB b. 1773, see text above.

POSSIBLE GRANDSON

X-X-X JONATHON. A Jonathon received Depreciation pay for service in the Continental Army in 1785, together with Abraham and John. The latter two were Abraham (5-2)'s sons of those names, or perhaps all three were grandsons (PA Archives V:4:317)

Abraham DeLong 1706 - 1756 (had younger bro. Pieter (d 1760)
Travels: Ulster Co., NY to Delaware River (near present site of Port Jervis, NY) down the river to a point in NW - New Jersey -- made log rafts to go down river to present site of Easton, PA -- southwesterly through Northhampton County. Abraham stopped in Lynn Township while Pieter continued on, finally settling down in Berks Co. some 15 miles southwards from his brother's place. Here they both remained till their deaths.

Pieter died in 1760 & left 9 surviving children.
Abraham died in 1756 & left a family of 9 children.

Notes

**5-2-2-1-7 SOLOMON b. prob. 1815; md. Mariah Landis.*

SOLOMON (5-2-2-1-7) b. 10 Sep 1815 in Botetourt Co., VA [Ref. Mrs. Scurr] and is the most likely date though other dates will be encountered below.

1816 - Taken to OH about this time.

1820 - The son age 0-9.

1830 - The son age 15-19.

1830s - Said to have been an early explorer in DeKalb Co., IN. This is not unreasonable as three older brothers settled there 1838-9 and he was to live there after his marriage.

1837 - likely the Solomon who purchased 55.75 acres W1/2SE__, Sec 6, Twp., 33N, Range 15E (DeKalb Co., IN) signature date 3/15/1837. Newville, IN

1840 -

1841 - He crossed back into western OH and md. 21 Aug 1841 in Defiance Co. Mariah Landis. She b. 11 Dec 1821 in Preble Co., OH d/o David and Mary Landis. (Paulding Co., OH marriage record: Delong, Solomon Maria Landis Aug 26, 1841.)

1850 - Newville, DeKalb Co. age 39, b. VA, which gives birth of 1810-1 which could barely fit the 1820 and 1830 censuses, but is likely too early in view of Scurr's family data. Mariah was 28 and b. OH.

1860 - Newville 41 b. VA. Which age is also doubtful making him younger than the Scurr date while 1850 made him older. This also puts him outside his 1830 age category. Mariah was 38 and b. in OH.

1862 - Resigned or more likely received 2d Lt. commission, 44th Ind. Inf. 19 Dec 1862.

1864 - He was promoted from 2d Lt. to 1st Lt. at Waterloo, DeKalb Co., Co. F. of the 44th. At this time he was 45 which points to birth 1818-9, again too young for his 1830 census category.

1864 - Served field and staff; promoted to Major.

18xx - A Solomon was Lt. Col., 129th Ind. Inf. per Historical Register of US Army 1789-1903, p. 94. If this were Civil War service, then it is likely our subject.

1870 -

1873 - will DeKalb Co., 18 Mar 1873, names wife Mariah, sons George, David D., Alfred, Alva L., Joseph S.

1873 - He d. 17 Apr 1873 in Newville, DeKalb Co., IN.

1880 - She was 58 in Newville, b. OH of PA parents, living alone. Her sons George and Joseph both erron. claimed a PA mother in this census.
1912 - She d. 28 March 1912 in Chicago; bur. Newville.

5-2-2-1-7-5 ALVA L. (not Albert) b. prob. late 1850, 10 in 1860, named in father's 1873 will. He appears somewhere as Albert in a family list, perhaps just a typo.

5-2-2-1-7-6 MORRIS/MAURICE b. 19 Mar 1855; d. 21 Aug 1858, age 3-5-21. (OR 2)

5-2-2-1-7-7 JOSEPH S. b. 1852; md. Fidellis Horisington.

Note: A tradition says three of the seven sons died at an early age, however five were living as late as 1873, the youngest of them 21.

in Allen County that was his "homestead" and where he lived the rest of his life.) His home farm was 2 and ½ miles East of the village of Huntertown. He was a blacksmith by trade and it is worthy of historic note that he forged the lock irons used on the old canal extending from Fort Wayne to the Wabash River. He reclaimed his farm from virtual wilderness and became one of the honored and influential citizens of Perry Township. His marriage to Miss Sarah E. DeLong was solemnized on June 14, 1840 (May be June 4) and they forthwith established their home on the pioneer farm in Perry Township, where Mr. Fitch also established a blacksmith shop in which he continued to do a large amount of work at his trade, being one of the pioneer exponents of this sturdy vocation within the borders of Allen County. His shop is still standing and is one of the pioneer landmarks of this part of the county. Mr. Fitch developed one of the excellent farms of the county, was active in community affairs and served for a number of years as township trus-tee. He was about 70 years of age at the time of his death and his widow, one of the gracious and revered pioneer women of the county, attained to the ven-erable age of 90 years. Mr. Fitch left the parental home when he was a lad of but 15 years, and he bore with him in a bandana handkerchief all of his worldly possessions, except the rifle which he considered an essential part of his equipment. He made the journey from Pennsylvania to Indiana on foot and eventually became one of the largest landholders in this county, his estate at one time having 2,300 acres besides which he became owner of land in Iowa. He was one of the most vigorous and ambitious of all the pioneers of Allen County and in addition to his farming industry and his work as a blacksmith, owned and operated a sawmill near the DeKalb County line and developed also a sub-stantial wool carding business. He was especially well-known for his great pedestrian powers, and he almost invariably made trips to and from his farm to Fort Wayne on foot. The ruins of his pioneer mill, which was operated by water power, are still to be seen, and in all, he was a sterling and progressive citizen who contributed much to the furtherance of civic and material develop-ment and advancement in Allen County. He and his wife, who shared with him in the vicissitudes of pioneer life and in the prosperity of later years, her death having occurred, September 6, 1908, became the parents of 14 children, and thus gave their full quota of hostages to fortune.*

**(If Nathaniel came to Indiana in 1832, he would have been 26 years old at the time. He did leave home to go to Easton, PA, to learn blacksmithing when he was young, and might have been 15 at that time. Apparently he did not like that and ran away and just started working as a blacksmith on what little he had learned while there.)*

JOHN DWIGHT BALDWIN III | Visit Guest Book

BALDWIN JOHN DWIGHT BALDWIN III, passed away on April 4th, 2010, at Hospice Atlanta, in Atlanta, Ga, after a lengthy illness. Mr. Baldwin was 82 years old, and suffered from ALS (Lou Gehrig's Disease). Born to John D. Baldwin II and Pearl Marie Hunter Baldwin in Cleveland, OH on July 13th, 1927. John was an only child. He attended Bratenahl and Cleveland area schools until his freshman year, when he attended Beverly Hills High School, Beverly Hills, CA, during his freshman, sophomore and junior years, opting to return to Cleveland for his senior year. Precocious and a quick learner, John graduated from what is now Case Western Reserve University in Cleveland, at the age of 19, with a Degree in Chemical Engineering. After college, he began working for the Sherwin-Williams Company, and except for two years service in the U.S. Army in the early 1950's, remained with them until his retirement in 1987, having risen to the position of Laboratory Manager. As a double Mayflower Descendant, he had a life-long interest in genealogy and authored 28 important family histories deposited in various libraries around the country. He was a member of the Society of Mayflower Descendants, The Order of the Founders and Patriots of America, The Sons of the American Revolution, The National DeSoto Club, and many other organizations too numerous to list. Post-retirement, he gave many hours of volunteer time to many organizations, but most notably to The Center, an LGBT Services Center in Cleveland, serving on its Board of Directors for many years. He had lived for the past six years in Hampton, GA. He had requested cremation and no services. Instead, a celebration of his life was held in his home, Dundridge Hall, for family and friends. As he requested, ashes were divided into two urns, one for interment in a family mausoleum in Valdosta, Georgia, and the other to be returned to his family ancestral home, Dundridge Manor, in Buckinghamshire, England. He is survived by his spouse, Daniel, and numerous cousins, and his spousal family in Georgia.

A link to the obituary in the Cleveland Plain Dealer is here. In case that doesn't work for you, here's a screen grab:

I will try to explain what I mean about the DeLong Volumes.

John D. Baldwin of Lakewood, OH, who has been researching the DELONG surname for over 35 years has placed the various groups of DeLong/Delongs in what he calls Volumes. Presently there are about 11 different Volumes. John is a member of Vol. 1, your group of DeLongs are in Vol. 5 and I am a member of Vol. 13 (some #'s are now vacant do to combining as new info becomes available). My group is among the smallest and no doubt belongs to one of the larger ones if we could ever find the link. Over the years I have succeeded in getting a complete set of John's material (typescript). John is not computer literate and chooses to stay away from them. I have computerized nearly all of the information into Family Tree Maker files as well as many Word documents. Most of the Volumes including your Vol. 5 have been submitted to the World Family Tree project but currently none have been published. I have taken every word of John's material and inserted them into the Notes section of each respective individual. Volume 1 has 17,273 individuals, V2-112, V3-5052, V4-1077, V5-8380, V8 is a misc. by state, V9-626, V10-247 (not complete), V11-152, V13-2930, V14-1691.
I will now list the progenitor of each Volume:
V1 - Arie Fransen b. abt 1650 in the Netherlands (don't ask me how, but this name went through a transformation using various names i.e. de Langhe, DeLang before it finally became DeLong.)
V2 - Mark DeLong (perhaps originally DeLon) b. abt. 1700, has NC roots.
V3 - Unknown DeLong/Delong b. 1720-25 (descendants likely with PA origins).
V4 - Aaron DeLong/Delong b. aft 1720 in Germany.
V5 - Pieter/Pyeter/Peter DeLong/Delong b. abt. 1707 in Germany.
V8 - is the Misc. Volume by STATE/COUNTY.
V9 - James DeLong/Delong b. 1755-60 (descendants likely w/SC origins, many in GA, TN).
V10 - unsure who the progenitor of this group is, likely a division of the V1 group who originally were centered in NY. This is the "Loyalist" group who fled to Canada during the Revolution. A Bill Tufts of Gloucester, Ontario is the "brains" behind this group and is in the process of supplying me with all the info. (I am beginning to combine this with V1.)
V11 - Billy DeLong b. 1790-1800 in NC.
V13 - Jacob DeLong/Delong b. aft. 1750 in NY, VA, PA, France, Europe or ?. **My group.**
V14 - Unknown DeLong/Delong b. late 1740s likely in PA. Unknown's sons are David, Abraham, Jacob, John & Isaac, all early settlers of Fairfield Co., OH.

The majority of the info in this Family Tree file originated from:
JOHN D. BALDWIN III
1559 CLARENCE AVE.
LAKEWOOD, OH 44107-4845
(this is new address 10/98)

Following is John D. Baldwin's work via Kay Keating of Bethesda, MD who computerized John's work as a Word Perfect document:

ABRAHAM (5) The founder of the German DeLong family of Pennsylvania was almost certainly ABRAHAM LANGER/LANGEN/LANG who arrived in New York with one of the earliest parties of Palatine Germans. In turn he was very possibly the ABRAHAM leLONG/LeLON of the vicinity of Ludwigshafen, Pfalz (Palatinate). Information below is from Henry J. Jones Jr's Palatine Families of New York, p. 519. I suggested to Mr. Jones that Abraham's son Peter could be the Peter DeLong (5-1) who settled in Berks County, PA; Mr. Jones concurred with the suggestion, publishing it in his companion volume More Palatine Families ... etc.

1668 - Abraham, son of CHARLES leLONG and wife Marie des Marets was baptised 28 Jun 1668, per records of the Walloon Church at Frankenthal, Pfalz, 7km north of Ludwigshafen (churchbooks begin 1622). Sponsors (translated from French) were Jean de Marets - "Gautier" (headman? I am unsure) at Manheim, Jean des Marets the younger living in this village, Sarah Bonnet wife of the said Gautier at Manheim, and Georgine le long, young maiden. I suggest that Jean de Marets and Sarah Bonnet were parents of Marie and Jean Jr., and that Georgine was sister of Charles. (Jones' transcript shows des Marets twice, de Marets once.)

1698 - ABRAHAM Le LON and Anna Barbara Dorthel 2 Dec 1698 per records of the Reformed Church (begin 1698) of Oggersheim, four kilometers South of Ludwigshafen.

1699 - Peter son of Abraham le Long was born at Hemshof per records of the Oggersheim Reformed Church. Apparently died young.

1707 - Another Peter was born at Friesenheim, son of Abraham le lonn, commoner of Friesenheim, baptised 25 April 1707, again Oggersheim church records.

Likely, the des Marets and possibly Charles leLong were from Wallonia, the French-speaking province of Southern Belgium. I do not know whether Dorthel is a German name or a Germanized French name, nor whether Oggersheim Church was French or German.

It would be interesting to study the earlier Frankenthal Walloon Churchbook from 1622 to 1698 for the three surnames.

-

Now turning to the emigrant to New York, possibly the man discussed above:

170_ - If Jones correctly identifies Abraham of Oggersheim as the immigrant, he likely married second in the Palatinate as his wife soon after arrival in NY was Maria Catherina.

1709? 1710? - Abm Lang and wife and three children were on Capt. John Unyank's ship in Holland (near a Johan Lang and wife) in the fifth party of Palatines (Rotterdam lists)

It seems impossible to identify members of the household as listed in the Hunter lists over the next few years. Note

It seems impossible to identify members of the household as listed in the Hunter lists over the next few years. Note there were three children leaving Rotterdam, yet on 30 June 1710, the household consisted of only three persons, two over 10 (the parents), and one under 10 (Peter of 1707 if we have identified properly with the above leLon family). On 4 Oct 1710, there were five over 10 and one under, so the house had been joined by three adults or older children. The older category had dropped to four by 24 June 1711, while there was a second child under 10, so perhaps a son Abraham had been born (see below). By 25 Mar 1712, the older category was down to three, two younger children remained.

The entry for 24 June shows five persons above ten. Though apparently no young children are indicated, the household composition shows such list-to-list variation that I do not consider this reason for thinking this was not the home for Peter of 1707 and a brother Abraham.

The Palatine parties settled initially in Ulster County, NY and I assume the various locations below are in that area but have not checked them.

1711 - Abraham Langen soldier from Haysbury (Palatine Vols. To Canada)

1711 - Maria Catherina, wife of Abraham Lang was sponsor at West Camp for Abraham Lauck. In 1716-7 Abraham and Anna Maria [presumably Anna Maria Catherina] were listed next to Michael, actually Nicholas, Laux on the Simmendinger Register and H. Jones believes this second wife was related to that family.

ca 1716-7 - Abraham Lang and Anna Maria with four children at Hessburg next to Nicholas Laux, see 1711.

1718, 1719, 1721, 1722 - Abraham Langh was a Palatine debtor (Livingston lists).

Child of Abraham and Anna Barbara (Dorthel):

**5-1 PETER bpt 1707, presumably the Peter who married by 1724 Eva Elizabeth Weber, born 1707 so a teen marriage for both, daughter of Jacob Weber, another Palatine immigrant of 1710.*

Nothing supports the DAR claim that Peter was son of Francis DeLong which presumably came fro a misreading of History of Lehigh Co., PA Vol 2 which correctly says that Peter had lived in Ulster Co., NY, then mentions Francis DeLong of that place in 1711, who however was of the much earlier Dutch DeLong family.

Child of Abraham, possibly by Anna Maria Catherina (Laucks?):

**5-2 ABRAHAM born possibly by 1710-11 md. Catherina ________.*

****
WFT Vol. 6, Pedigree #952 lists name as Francis Delanght b. Abt 1675 in Europe.

WFT Vol. 10:4606 suggests name as Jacob Jansen Delange b. Holland. with note that Jacob came to America in 1662.

NOTE: re REFERENCE NUMBERS....
You may note that each "Delong/DeLong" in this tree has a Reference Number. This shows up in the bottom left hand corner of the Index, it also appears under the individuals "More" / "Lineage" . This number was calculated as follows: Unknown(our subject) is "5" who is the progenitor of this Volume 5 DeLong group. "5-1 or 51" is the first child of Unknown, "5-1-2 or 512" is the second child of Unknown's first child and so on. If a couple has more that 9 children, then the 10th child becomes "a" and 11 becomes "b", etc. Family Tree Maker currently has a limit of 11 characters in the Ref. #. People of the 12th generation or higher will end with a - (and the later characters will be missing). The Reference numbers can be included on a Outline Printout via the "contents" dialog box.

[DeLongV5#1.FTW]

ABRAHAM (5-2), resident of Lynn Twp. in today's Lehigh Co., PA, has long been considered brother of Peter (5-1) of adjacent Berks Co. It is known that Peter lived earlier in Ulster Co., NY and married into one of the Palatine families there. It has been shown on sheet (5) that Peter may well have been the Peter Le Lonn, son of Abraham Le Lonn (Le Long, Langer), another of the Palatines, baptized 1707. Abraham (5-2) then was perhaps another son. The Hunter lists of Palatines show that the older Abraham's household increased from one to two children between Oct 1710 and Jun 1711. Perhaps this denotes the birth of the younger Abraham. It would be important to know where the party lived at time of these lists -- Germany, England or NY. As will be noted below under 172(6?), the marriage banns for an Abraham, presumably (5-2) indicate he was born in Germany. There is no particular problem with Abraham marrying this young, Peter was likely only 16 or 17 at marriage as was his wife. But if Abraham were born after the family reached NY, might the banns be an intended remarriage of Abraham (5) whose baptism in Germany has been found?

172(6?) - His possible father Abraham Langer/Le Long was a Palatine to New York, and his probable brother Pyeter (5-1) lived in Ulster Co., NY before settling in PA. It is therefore likely he is the Abraham for whom marriage banns with Rachel Hornbeeck were published in Kingston, Ulster Co. 13 Mar 172(6?). He is notated as born Germany, she Rochester, Ulster Co. The marriage apparently never came about as the banns were deleted from the register (Ref: Hoe: Kingston Records.)

1730? - Nothing is known of birthdates for any of his children, so no date can be approximated for his marriage to Catherine _____. It was perhaps about 1730.

to Catherine _____. It was perhaps about 1730.

17__ - He settled in Lynn Twp., Northampton, now Lehigh Co., PA.

1748 - 113.5 acres of land were surveyed by warrant date 16 Mar 1748. In 1870, it was resurveyed, by now in three parcels belonging to Koenigs, and recorded Allentown 11 Aug 1870. [Lehigh Co. Book __, p. 947, see attached photo.]

1755 thru 1759 - His will dated 21 Dec 1755, Lynn Twp., then Northampton Co. It mentions son Peter, other children indicated but not named. Wife "Catren" was executrix. Witnesses were John Eversett, Samuel Braun and Michael Baumgartner. Abraham's mark was a capital D. It was proved 22 Sep 1756, Braun being noted as Hannes Brown. The will was never recorded.

Louise Varisco has supplied photocopies of various documents, which I assume are taken from Northampton Co. Estate file #113. The inventory of receipts for debts paid off by Catherine, opens with a puzzle - Receipt No. 1 is dated 11 Nov 1755, six weeks before Abraham's will was signed. The second receipt is dated 29 Apr 1756. We can conclude Abraham died between 21 Dec 1755 and the date of receipt No. 2, but I have no explanation for the date of No. 1. All other receipts appear to follow in chronological order with most being dated; No. 17 of the eighteen is 15 Oct 1759.

The inventory and evaluation of the estate is dated __ Mar 1759 (day illegible), and is entitled "The Pisment of Abaham deLong desesed Good and Chattels" (sic throughout). Pisment is spelled more correctly Prisment in the summary, no doubt appraisal, each individual item on the inventory being "Prised at" a given value.

The major item is the "Plantason", no doubt being the 113.5 acres of 1747, prised at £30.0.0. Some descriptive words are hard to read but seem to refer to twenty acres of water, perhaps lakes on the property. Next came the "Grate wagin" prised at £8. The only direct bequest of the will, the two year old mare colt, was to be given to Peter "directly" and does not appear on the inventory. The total appraisal was £81.3.7.

1764 - In a letter 27 Sep 1955 to Mrs. Jorgen Jacobson of Chicago, Prof. Irwin Hoch DeLong said that the date of the invoice and appraisement of the estate in File 113 is 1764. Perhaps this is the date on the outside of a document, undated in the text itself, which summarizes and supplements appraisal information and restates the debt receipt list. In this document the appraisal of £81.3.7 is repeated, then indicates the estate sold for £17.2.11 above the appraisement, for a total of £98.6.6 The plantation remained at £30 but unsold. The total of debts paid off by Catherine was £48.1.2 to the eighteen creditors.

Louise Varisco has submitted a document stating that on 2(1?) Apr 1764, Katherine Delong swore to the administration of the estate. Evaluation and disbursements are given as £128.6.6. This is £30 above the figure in the paragraph above, and shows that the unsold plantation, valued at £30, was not part of the appraisement of £98.6.6.

The estate was settled 3 Aug 1764. On this date, a release was given to Catherine DeLong by the children. The sons are listed first, then daughters with their husbands. The sons were Peter who marked with a capital D, Math. (sic), Abraham, John, Etward (sic). Daughters were Rachel, Madelena wife of Henry Bretnig, (Heinrich Bretnich), Hanna wife of Michael Engel (Englert), Catherine wife of Andrew (Andreas) Straub. This release document witnessed by George Briner, George Kistler, Philip Schuman and Daniel Straub. [Ref: Deed Book B, Vol. 1, pp. 375ff, as quoted by I. H. DeLong in his letter to Mrs. Jacobsen.] Release recorded 20 May 1772.

1765 - The Herring Genealogy says Catherine died in 1765. This may be valid, or perhaps it is just an inference from knowing she was still alive in 1764. Plow a Straight Furrow erroneously says she was deceased by the time of the 1764 completion of probate.

Children: Now that we finally know the order of children as given in the estate settlement, they are being renumbered in our text, using the settlement order which Irwin H. DeLong in his 1955 letter presumes was the order of birth. This will allow us to discuss possible birth periods to some degree. Sons are given first, then daughters.

5-2-1 PETER estimated birth around 1733. He is the only child called by name in his father's 1755 will. Presumably the oldest son and perhaps the only son not a minor. Named in 1764 settlement. Nothing more is known of him. Perhaps he was the Peter, single in 1777 at baptism of Abraham (5-1-6-1). However, Peter (5-1-4-2) was a closer relative and thus a better candidate.

**5-2-2 MATHIAS/Matthew estimate born around 1735-37. He was listed second among males in 1764 settlement and was presumably second son. Md. 176_ Maria Margareta .*

**5-2-3 ABRAHAM Jr. estimate born 1738-9. Listed third in 1764 and presumably third son. Still single in 1772, md. perhaps after 1775 .*

**5-2-4 JOHN estimate born 1740-1. Named fourth in 1764 and probable fourth son. The 1830 census, if correctly identified, confirms birth in 1740 or after. This is questionable if he was truly father of presumed son Henry born 1757, though it is possible.*

**5-2-5 EDWARD (ETWARD) born say late 1740s or even into 1750s. Named fifth in 1764 settlement and presumably fifth son. First known child born 1775. Md. Anna Maria Steidel.*

5-2-6 RACHEL presumably oldest daughter, named in 1764 settlement and obviously unmarried at that time. In order to accomodate John as being old enought, though scarcely, to become a father in 1757, I have placed him and his three older brothers as born in the period from 1733 to 1741. As oldest daughter, she too is likely in this period or even earlier.

5-2-7 MAGDALENA (per IHDeL: Magdalena has been given elsewhere, and -Herring Gene.- has Mathelina), born roughtly 1740, named second among daughters in 1764 settlement, by which date she was wife of Henry Bretnig/Henrich Bretnich (per IHDeL; Brethnig has been given elsewhere and Herring Gene. has Bretheith.)

5-2-8 HANNA (sic) born probably well into the 1740s, named fourth among daughters in 1764 settlement by which date she was wife of Michael Engle/Englert (per IHDeL; Herring Gene. uses the latter.)

5-2-9 CATHERINE born probably well into the 1740s, named fourth among daughters in 1764 settlement by which date she was wife of Andrew/Andreas Straub (per IHDeL; Herring has Andres). A descendant is Louise Varisco, Strongsville, Ohio, 1992.

POSSIBLE SON, BUT HIGHLY QUESTIONABLE:

X-X-X JOHN LUCAS A son of this name has been attributed in print to Abraham, but he is not named in the 1764 estate settlement and I suggest he does not belong here. I suggest he was a Lang/Long. He is reported as John Lucas Lang at the baptism of son Philip Jacob born 5 Aug 1773; bp. 29 Aug 1773 at Allemaengel Lutheran Church, sponsors Philip and Barbara Brobst. (In a fairly new book of Berks Co births and bpts., Philip Jacob's father is shown not as John Lucas Long but as Johannes DeLong. And the church is identified as the Jeruselem "Red" Church in Albany Twp.) He is supposedly recorded as DeLang or DeLong at the 1768 baptism of John Jacob (5-2-2-2), also the same year at baptism of a son of Martin and Barbara Forsch. The original manuscript needs to be seen. (Allemaengel is, I have been told, a geographical area. Mrs. Sell said John Lucas appears in the records of the Jerusalem "Red" Church in Lehigh Co. 1/2 mile from Frieden's "White" church, and 3/4 mile from Lynn Twp. I assume, but could be wrong, that the former would be the Allemaengel Lutheran Church of Albany Twp.)

X-X-X-X PHILIP JACOB b. 1773, see text above.

POSSIBLE GRANDSON

X-X-X JONATHON. A Jonathon received Depreciation pay for service in the Continental Army in 1785, together with Abraham and John. The latter two were Abraham (5-2)'s sons of those names, or perhaps all three were grandsons (PA Archives V:4:317)

The following is John Baldwin's work as retyped by Kay Keating of Bethesda, MD:

PETER (Pyeter) (5-1) born probably Germany, bpt. perhaps 1707, see Sheet (5). settled first in Ulster Co., NY by 1724 but was likely unrelated to the much earlier Dutch family there. Must be the Peter Delon who had 100 acres land warranted 16 Jan 1737 in what was then Lancaster Co., PA (PA Archives III:24:391). His patent for 187 acres in then Philadelphia Co., and what is now Bowers Station, Berks Co., PA (Maxatawny Twp.) is dated 27 Jun 1738. Berks Co. was formed in 1752. He bought an additional 30 acres in Berks Co. on 30 Jan 1755 (as Peter Delangh; PA Archives); this is further referred to in a land purchase of son, Henry, in 1761. Peter gave land on 8 Oct 1759 for the Evangelical Reformed Chuch, known as the Bowers, or DeLong, Church. Peter's will of 1 Dec 1756 was proved in Berks Co. on 17 May 1760. (Z:32) 185 acre farm. children: John, Henrich, Jacob over 14; Michael, Barbara, Abraham, Fredrick under 14.

Peter married in 1723 or 24 (but not as early as the 1722 often given) Eva Elizabeth Weber b. 1706-7. That they were married by 5 Aug 1724 is confirmed in the sale of Ulster Co. land by her parents, Jacob and Anna Elizabeth, to Zachariah Offmann. The parents had left Germany by 1708.

In the London Documents for German Protestants in NY Lists dated 28 Jun 1708 are Jacob Weber 30, husbandman, wife Anna Elisabetha 25, daughters Eva Maria 5 and Eva Elisabetha 1. So Eva Elizabetha was about 17 at time of marriage. The Webers came to NY aboard the ship Globe 1709. Kocherthal Records shows their son Johan Herman was baptised at sea 14 Sep 1709. A fourth child, Johannes, was bpt. Quaissack Kill on 19 Apr 1710.

1725, 1728, 1730 - Children born in Ulster Co., NY, baptisms recorded in registers of NY City Lutheran Church.

1728 - Peter Long mentioned in a list of "The Freeholders of the High Lands," Ulster Co.

1729 - Eva Elizabeth, w/o Peter Langs was sponsor for bpt. 17th Sunday of Trinity at "quasayk kill" (Ulster Co.) of Eva Elizabeth, d/o Johann Jurge Mans (or Maus?) and wife Eva, recorded NY Luth. Ch.

1730-1 - Perhaps the family went to PA soon after the 7 Jun 1730 bpt. of son Johannes at Quassaik Kill. It is known Eva Elizabeth's parents moved at that time. On 23 Sep 1751 William and Margaret ward of Ulster deposed that Jacob Webbers removed to PA "Upwards of twenty years ago." [Documentry History of NY III:597.]

1737 - 100 acres of land warranted 16 Jan 1737 in Lancaster Co., PA.

1738 - Patent for 187 acres at Bowers Station, Berks Co., PA on 27 Jun 1738.

1742 - Probably the Peter DeLong who signed the Maxatawny Township petition presented to the Court of Quarter Sessions at Philadelphia on 4 Jun 1742.

1755 - Purchased 30 acres in Berks Co., PA as Peter Delangh on 30 Jan 1755.

1755 - Elizabeth DeLong was the sponsor for grandson, Johannes (5-1-3-1) on 29 Feb (sic) 1755. Widow is inked incorrectly onto the 1939 typing of Hinke's 1918 transcript.

1756 - Peter's will dated 1 Dec 1756.

1759 - On 6 Jan 1759 the will of Frederick Kieffer of Longswamp was proved by oath of Peter Delongh (Berks Co. Wills 1:56.)

1759 - Peter gave land on 8 Oct 1759 for the Evangelical Reformed Church, known as the Bowers or DeLong Church.

1760 - Peter's will was proved in Berks Co. on 17 May 1760.

1767 - She contributed to the fund to purchase a pulpit bible for the church.

1770 - Eva Elizabeth still living at the baptism of grandchild (5-1-3-8).

1770 - Church consistory met at Eva Elizabeth's home on 11 Apr 1770.

Children:

5-1-1 NEELTJE b. 24 Mar 1726; birth. recorded NY Lutheran Church (Ref: NYG&B Vol.) Sponsors at bpt, no date, were Antony Preslar and Neeltje Quirk.

5-1-2 CATHERINA b. 18 Sep 1727; bp. 24 Jun 1728, recorded in NY Lutheran Church (Ref: NYG&B Vol. ?) Sponsors at bpt. were Ludewig Miller and Anna Marlena.

**5-1-3 JOHN b. 14 Apr 1730 in Ulster Co., NY per I.H. DeLong; bp. 7 Jun 1730, recorded NY Lutheran Church (NYG&B Vol.) md. Maria Katherina Dussinger.*

**5-1-4 HENRY b. 1733 or Nov 1732, probably NY state; md. first Susanna Margaretha __________ and second Catherine __________.*

**5-1-5 JACOB b. probably about 1736, probably in NY state; md. Anna Margarata ?-Bauersox.*

**5-1-6 MICHAEL b. 26 Nov 1739, Berks Co., PA; md. Maria Barbara Bollenbach.*

5-1-7 ABRAHAM b. 15 Nov 1747; md. Anna Maria _______, md. 12 years; d. 26 Nov 1778, age 31-0-11. Birth and death dates from t.s. as D. Lang. In 1774, Abraham and Anna Maria were sponsors for a son of Adam and Maria Marguerita Leibert. Perhaps they were the Abraham and Maria Lang who were sponsors for Abraham (5-1-6-1) in 1777. On 27 Sep 1778, they were sponsors for a son of John Nicholas and Anna Maria Bollenbach (Can his wife have been a Bollenbach?). His will names wife, Mary, and brother, Jacob. Will, Berks Co., 3:1, 1779. Exors. Mary DeLong and Frederick Housman; named on p. 28 of Maxatawny Acct. Book 23 Mar 1777. Under bro. Jacob's son Abr, we find he is mentioned in uncle Ab's will, but that has been lost here.

5-1-8 BARBARA born say about 1743-4, named in father's 1756 will. About 1990, Bernice Sell of Berks Co. PA wrote she probably married Jacob Bush/Busch but did not cite her reasons. In 1998, Beatrice Leemhuis, 2631 W. 6th St., Erie, PA 16505 attempted unsuccessfully to contact Sell, but independently reached the conclusion of the possibility - two of Barbara's brothers were sponsors for a total of three children of Jacob and Maria Bush, one of whom was named Barbara. Thus Jacob Bush's wife was likely Maria Barbara DeLong. Sell had stated that Jacob Bush's wife was likely in records of St. Joseph's Church at Oley Hills; Leemhius says she did not find them there, but rather another Jacob with wife Maria Elisabeth Essig who may have been father of younger Jacob who with wife Maria lived in District, Rockland and Longswamp Twps, Berks Co. Per Leemhuis, the younger man was b. ca. 1740; d. Rockland Twp. After 1800; md. ca. 1762.

Children of Barbara DeLong and Jacob Bush/Busch:

5-1-8-1 George Jacob Bush b. 23 Aug 1763 in Berks Co., PA; bpt 25 Sep 1763 in Greenwich congregation , sponsors George Seip and wife.

5-1÷8-2 John Christian Bush b. 4 Mar 1766 Berks Co., PA; bpt. 30 Mar 1766 in Greenwich congregation, sponsors Christian Miller and Catrina Schester.

**5-1-9 JOHANN FRIEDRICH, called FRIEDRICH (FREDERICK) b. 1750; md. Susanna Schmetterin.*

The bulk of this Family Tree Maker file was obtained from Thomas A. DeLong's book "The DeLONG'S of NEW YORK and BROOKLYN"-"A Hugenot Family Portrait" which was published in 1972.

This I believe is what John Baldwin considers his Volume 5 DeLongs.

Pieter's death year & Elizabeth's birth year obtained from document from Roger DeLong.
Also Pieter's death year & death location from another document "Chronicles" from Roger DeLong.
This info was not found in Thomas A. DeLong's book.

Dr. Irwin Hoch DeLong says that Pieter (Delangh) DeLong was his great-great-great-grandfather.
John Baldwin says this is true, however Irwin's line is through another son of Pieter's than Johannes.

Submitter was: Clint Williams, 1517 Caroline St. NW, Washington DC 20009-3907.

WFT Vol. 6, Pedigree #952 lists name as Pyeter Delanght b. abt 1700 in Europe & married to Eva Elizabeth Weber.

IN WFT 10:4606 notes on Peter Delange says Peter Delange to Peter DeLong, lived Hudson Valley New York - 1724. Emigrated to Berks Co. Pennsylvania.

WFT 15:793 has: Peter Delong migrated from Alsace-Lorainne, France in the early 1700's to Pennsylvania, and amde his home in Berks County, Pennsylvania. He spoke High German. Members of the family fought in the American Revolutionary War. Then by 1802-15 members of the Delongs migrated to Ross Pickaway, and Fairfield Counties, Ohio.

While looking through John D. Baldwin's Volume 8 DeLongs (Unplaced Delongs and Cross Reference by Location) found mention of:
Peter (5-1) born perhaps 1707 in Germany and ABRAHAM (5-2) born perhaps 1710-11 in New York were raised in Ulster County NY, their parents no doubt being among the earliest migration of Germans to the Colonies ca 1710-11. Peter's first three children were likely baptized in Ulster County, though probably by a visiting pastor, the events being chronicled in the central register of the Lutheran Congregation in New York City. Peter and Abraham both went into Southeastern Pennsylvania as young adults. Some of Peter's descendants returned long after to New York. They were:

JONATHAN (5-1-3-7-5) b. 1805-7 and JOSEPH (5-1-3-7-8) b. 1813, both of whom died in Brooklyn. Jonathan's sons GEORGE (5-1-3-7-5-4) b. 1841 and DAVID (5-1-3-7-5-5) b. 1843 both died in Fishkill, Dutchess County.

Following from WFT 25:768
The DeLongs, Delanghs, Delongens were French Heuguenot (any French Protestant of the 16th and 17th century - Protestants of the Calvinist Reformation in Geneva) who came from Alsace-Lorraine, the area between France and Germany along the Rhine River which was conquered by Germany some of the time, and by France at others. Since 1945 it has been divided into three departments of France. The DeLongs spoke German and French and came here because they were persecuted by the Catholics in France in the late 1600's. They arrived in the New York area.

Peter married Eva and their first 3 children were born in Ulster Co., N.Y. Peter bought land for a farm from William Penn for $1000.00 still in the family of his son Johannes' decendants. He gave land for a Dutch Evangelical Reformed Church (the rent being one rose a year - never to be Catholic) The original homestead and church have burned many times. In 1837 a stone barn still in use was built. The graves of Peter and Eva are in the church graveyard, but they are unmarked. The whole cemetary is DeLongs.

[DeLongV5#1.FTW]

ABRAHAM (5-2), resident of Lynn Twp. in today's Lehigh Co., PA, has long been considered brother of Peter (5-1) of adjacent Berks Co. It is known that Peter lived earlier in Ulster Co., NY and married into one of the Palatine families there. It has been shown on sheet (5) that Peter may well have been the Peter Le Lonn, son of Abraham Le Lonn (Le Long, Langer), another of the Palatines, baptized 1707. Abraham (5-2) then was perhaps another son. The Hunter lists of Palatines show that the older Abraham's household increased from one to two children between Oct 1710 and Jun 1711. Perhaps this denotes the birth of the younger Abraham. It would be important to know where the party lived at time of these lists -- Germany, England or NY. As will be noted below under 172(6?), the marriage banns for an Abraham, presumably (5-2) indicate he was born in Germany. There is no particular problem with Abraham marrying this young, Peter was likely only 16 or 17 at marriage as was his wife. But if Abraham were born after the family reached NY, might the banns be an intended remarriage of Abraham (5) whose baptism in Germany has been found?

172(6?) - His possible father Abraham Langer/Le Long was a Palatine to New York, and his probable brother Pyeter (5-1) lived in Ulster Co., NY before settling in PA. It is therefore likely he is the Abraham for whom marriage banns with Rachel Hornbeeck were published in Kingston, Ulster Co. 13 Mar 172(6?). He is notated as born Germany, she Rochester, Ulster Co. The marriage apparently never came about as the banns were deleted from the register (Ref: Hoe: Kingston Records.)

1730? - Nothing is known of birthdates for any of his children, so no date can be approximated for his marriage to Catherine _____. It was perhaps about 1730.

17__ - He settled in Lynn Twp., Northampton, now Lehigh Co., PA.

1748 - 113.5 acres of land were surveyed by warrant date 16 Mar 1748. In 1870, it was resurveyed, by now in three parcels belonging to Koenigs, and recorded Allentown 11 Aug 1870. [Lehigh Co. Book __, p. 947, see attached photo.]

1755 thru 1759 - His will dated 21 Dec 1755, Lynn Twp., then Northampton Co. It mentions son Peter, other children indicated but not named. Wife "Catren" was executrix. Witnesses were John Eversett, Samuel Braun and Michael Baumgartner. Abraham's mark was a capital D. It was proved 22 Sep 1756, Braun being noted as Hannes Brown. The will was never recorded.

Louise Varisco has supplied photocopies of various documents, which I assume are taken from Northampton Co. Estate file #113. The inventory of receipts for debts paid off by Catherine, opens with a puzzle - Receipt No. 1 is dated 11 Nov 1755, six weeks before Abraham's will was signed. The second receipt is dated 29 Apr 1756. We can conclude Abraham died between 21 Dec 1755 and the date of receipt No. 2, but I have no explanation for the date of No. 1. All other receipts appear to follow in chronological order with most being dated; No. 17 of the eighteen is 15 Oct 1759.

The inventory and evaluation of the estate is dated __ Mar 1759 (day illegible), and is entitled "The Pisment of Abaham deLong desesed Good and Chattels" (sic throughout). Pisment is spelled more correctly Prisment in the summary, no doubt appraisal, each individual item on the inventory being "Prised at" a given value.

The major item is the "Plantason", no doubt being the 113.5 acres of 1747, prised at £30.0.0. Some descriptive words are hard to read but seem to refer to twenty acres of water, perhaps lakes on the property. Next came the "Grate wagin" prised at £8. The only direct bequest of the will, the two year old mare colt, was to be given to Peter "directly" and does not appear on the inventory. The total appraisal was £81.3.7.

1764 - In a letter 27 Sep 1955 to Mrs. Jorgen Jacobson of Chicago, Prof. Irwin Hoch DeLong said that the date of the invoice and appraisement of the estate in File 113 is 1764. Perhaps this is the date on the outside of a document, undated in the text itself, which summarizes and supplements appraisal information and restates the debt receipt list. In this document the appraisal of £81.3.7 is repeated, then indicates the estate sold for £17.2.11 above the appraisement, for a total of £98.6.6 The plantation remained at £30 but unsold. The total of debts paid off by Catherine was £48.1.2 to the eighteen creditors.

Louise Varisco has submitted a document stating that on 2(1?) Apr 1764, Katherine Delong swore to the administration of the estate. Evaluation and disbursements are given as £128.6.6. This is £30 above the figure in the paragraph above, and shows that the unsold plantation, valued at £30, was not part of the appraisement of £98.6.6.

The estate was settled 3 Aug 1764. On this date, a release was given to Catherine DeLong by the children. The sons are listed first, then daughters with their husbands. The sons were Peter who marked with a capital D, Math. (sic), Abraham, John, Etward (sic). Daughters were Rachel, Madelena wife of Henry Bretnig, (Heinrich Bretnich), Hanna wife of Michael Engel (Englert), Catherine wife of Andrew (Andreas) Straub. This release document witnessed by George Briner, George Kistler, Philip Schuman and Daniel Straub. [Ref: Deed Book B, Vol. 1, pp. 375ff, as quoted by I. H. DeLong in his letter to Mrs. Jacobsen.] Release recorded 20 May 1772.

1765 - The Herring Genealogy says Catherine died in 1765. This may be valid, or perhaps it is just an inference from knowing she was still alive in 1764. Plow a Straight Furrow erroneously says she was deceased by the time of the 1764 completion of probate.

Children: Now that we finally know the order of children as given in the estate settlement, they are being renumbered in our text, using the settlement order which Irwin H. DeLong in his 1955 letter presumes was the order of birth. This will allow us to discuss possible birth periods to some degree. Sons are given first, then daughters.

5-2-1 PETER estimated birth around 1733. He is the only child called by name in his father's 1755 will. Presumably the oldest son and perhaps the only son not a minor. Named in 1764 settlement. Nothing more is known of him. Perhaps he was the Peter, single in 1777 at baptism of Abraham (5-1-6-1). However, Peter (5-1-4-2) was a closer relative and thus a better candidate.

**5-2-2 MATHIAS/Matthew estimate born around 1735-37. He was listed second among males in 1764 settlement and was presumably second son. Md. 176_ Maria Margareta .*

**5-2-3 ABRAHAM Jr. estimate born 1738-9. Listed third in 1764 and presumably third son. Still single in 1772, md. perhaps after 1775 .*

**5-2-4 JOHN estimate born 1740-1. Named fourth in 1764 and probable fourth son. The 1830 census, if correctly identified, confirms birth in 1740 or after. This is questionable if he was truly father of presumed son Henry born 1757, though it is possible.*

**5-2-5 EDWARD (ETWARD) born say late 1740s or even into 1750s. Named fifth in 1764 settlement and presumably fifth son. First known child born 1775. Md. Anna Maria Steidel.*

5-2-6 RACHEL presumably oldest daughter, named in 1764 settlement and obviously unmarried at that time. In order to accomodate John as being old enought, though scarcely, to become a father in 1757, I have placed him and his three older brothers as born in the period from 1733 to 1741. As oldest daughter, she too is likely in this period or even earlier.

5-2-7 MAGDALENA (per IHDeL: Magdalena has been given elsewhere, and -Herring Gene.- has Mathelina), born roughly 1740, named second among daughters in 1764 settlement, by which date she was wife of Henry Bretnig/Henrich Bretnich (per IHDeL; Brethnig has been given elsewhere and Herring Gene. has Bretheith.)

5-2-8 HANNA (sic) born probably well into the 1740s, named fourth among daughters in 1764 settlement by which date she was wife of Michael Engle/Englert (per IHDeL; Herring Gene. uses the latter.)

*5-2-2 MATHIAS/Matthew estimate born around 1735-37. He was listed second among males in 1764 settlement and was presumably second son. Md. 176_ Maria Margareta ___.

MATTHIAS / MATTHEW (5-2-2) b. say 1735-37. He is named second in 1764 settlement and was presumably the second son. J. DeLong's Plow a Straight Furrow says born 1740, but I doubt if there is any document and I think a few years too late.

176_ - He married Maria Margaretta _______, called Margareta. Could she have been a Falck? Falcks were baptismal sponsors for two of their children. George Falck was co-executor with widow Margareth of Mathias's estate.

1768 - Child baptized in what is now Lehigh Co.,

1772 - Tax 0.18.8 in Lynn Twp., Northampton Co. (Lehigh Co. formed in 1812 from Northampton Co.)

1772 - Child baptized in nearby Berks Co.

1774 - Child baptized in nearby Berks Co.

1780 - 26 Oct 1780 served in 6th Company, Northampton Co. Militia under Capt. Probst (PA Archives v:8:433)

1782 - Still under Capt. Probst (Archives V:8:513). Then on 27 Jul 1782 he was under Lt. George Grunewalt, Lancaster Co. (V:7:607) and 21 Sep 1782 (also V:7:607), the latter specifically as in the 2d Part of the 4th Class, 6th Battalion.

17__ - Plow a Straight Furow says he was a member of Jacob's Church in Jacksonville (Dutch Reformed) which he had a part in building.

1785 - Taxed 0.7.0 Weisenberg Twp., Lehigh Co., PA.

1785 - His death (PSF erroneously says 1788, thus I also questioned the birthyear it assigned to him, above.) Administration of his estate #1119 , Northampton Co. On 21 Nov 1785, Margareth Delong widow of Mathias Delong late of Lynn Twp., carpenter deceased, George Falck of Weisenburg Twp. yeoman, Martin Probst & George Breish of Lynn Twp. gave bond for $300. Administrators of Mathias' estate, Margareth Delong and George Falck were to prepare an inventory.

The three-page inventory, dated 3 Dec 1785, totaled £109.2.3, then was amended by sixpence "deduct for mistake", for a final £109.1.9. Subsequently further sums were added -- £ 21.1.6 the amount which said goods advanced by sale at public vendue; £2810.1 a bond due by Edward Delong; and £6.12.5 cash received of Jacob Arndt fees for collecting a county tax. The final total was £165.5.9.

Among the larger inventory entries were £21.3.0 for a bond of Peter Sasseman payable 27 Nov 1785; four cows and two calves £12.15.0; seven acres of grain £8.0.0; a pipe stove £3.10.0.

Among the disbursements were £9.11.4 to John Delong (I assume his brother); £1.5.6 to Simon Wertman (note 1787 suit above by Catherine Wertman); another £20.0.0 to John Delong; £0.5.0 to John Wertman; £2.18.5 "due Jos. Delong (no doubt the son Johann Joseph) pay & expenses for going to Shamokin three times on business of the estate"; £0.5.0 paid for carriage in going to the Register's office to settle this account. The bond due from "Edward Delong, suppos'd insolvent" was deducted.

I find no mention of farm property in the inventory, but there was a modest £0.4.3 paid "the surveyor general & other expenses respecting the land and in going to Philada." After disbursements, the balance in the hands of the accountants was £20.6.0.

1787 - Catherine Wertman (see text for brother John (5-2-4) of Northumberland Co., PA brought suit against estate of Matthew Delong, late of Lynn Twp.

1809 - Administration of estate of Margaret DeLong of Lynn Twp., I assume Matthias's widow, #2617 (Lehigh Co.? I was told however, this is a Northampton administration.) The Herring Genealogy says on p. 23, "DeLONG: A petition of Nov. 27, 1809 in Northampton County (O.C. Bk. 3, p. 653) reads: "Mathias DeLong of Lynn Township died 24 year ago leaving a widow and 10 children, -- that the widow died recently -- that one of the children, Elisabeth, inter-married with George Herring, died leaving four children living at this time."

1812 - A Northampton Co. deed of 7 Mar 1812, recorded 27 Aug, shows that Mathias had died intestate leaving widow and six children -- Joseph, Jacob, John George, Catherine, Elizabeth and Christina. I do not know the occasion for this deed after the fact; L. Varisco was unable to get a readable photocopy. (H 3 ppp. 148-9) The Herring Genealogy says on p. 23, " DeLONG: A petition of Aug. 8, 1812 in Berks County (O.C. Bk. 5, p. 144) reads: "George Herring, -- inter-married with Elisabeth, a daughter of Mathias DeLong, deceased, that the said Elisabeth left issue four children, George, Catharine, Benjamin and Daniel, minors under 14, entitled to a portion of their said grandfather's estate."

1814 - Quit-claim deed granted 23 Apr 1814 to George Herring (his son-in-law) mentions George DeLong of Miami Co., OH (Letters of Admin. I;33).

10/3/1997 prev. did not know name of (5-2-4) & only that it was a male. Received note from John D. Baldwin commenting on WFT 11:1256 where he identifies (5-2-4) as John DeLong.

**5-2-4 JOHN estimate born 1740-1. Named fourth in 1764 and probable fourth son. The 1830 census, if correctly identified, confirms birth in 1740 or after. This is questionable if he was truly father of presumed son Henry born 1757, though it is possible.*

JOHN (5-2-4) born perhaps 1740-1. Named fourth in 1764 and presumably fourth son. If we correctly identify him in 1830 census, he was born in 1740s. Probable son Henry was born 1757 per t.s., a close fit but possible.

The following data are based on numerous assumptions:

That (5-2-4) is the John taxed in Lynn Twp., Northampton, Co. (now Lehigh) PA.

That he is the John of numerous military records, mostly in Northampton Co. which are clearly distinguishable

That he is the John of numerous military records, mostly in Northampton Co. which are clearly distinguishable from the service of John DeLong (1-7-3-1) who was of that part of Northampton which is now Lower Smithfield, Monroe Co., and whose military career is documented in some detail in his pension application.

That he is the Jean DeLang with children baptized Hamilton Twp., Northampton Co. 1769 and 1771, and whose wife in 1772 was Regina. (These three records were for a long time erroneously thought to pertain to John (1-7-3-1)).

That he is the John DeLang and wife Catherine of Albany Twp., adjacent to Lynn Twp. The name is sometimes quoted as Lang.

That after the final Northampton military record of 1785, that he is the John who appears in Northumberland Co. late that year for whom we can identify wife Catherine, mother-in-law Catherine Wertman, and sons Henry and Daniel. To tie him to Lehigh Co.: Catherine Wertman brought suit against the estate of John's brother Matthew (5-2-2) in 1787; John owed money to residents of nearby Albany Twp. which is Berks Co., in 1800.

That after the final Northumberland record of 1825, that he was the John age 80-90 across the river in Union Co., PA 1830.

We have verification of only three sons, Henry, Daniel and Samuel. However a large family is indicated; the reason for each child suggested will be given in his turn.

1755 - As has been seen under Abraham (5-2), only one of Abraham's children, Peter, is supposedly given by name in Abraham's will. It has been stated that John is named in his father's will but this is not correct. However, John is definitely known from the 1764 estate wrap-up.

175_ - Prob. married about this time Regina _____ who was the wife named in a 1772 baptism sponsorship. And by 1775, his wife was named Catherine _____. One of them was a Wertman as we learn from a 1787 power of attorney from Catherine Wertman to her "son" John DeLong. IN 1800, we find that John's sons Henry and Daniel had inherited money from their grandmother Wertman.

It seems reasonable that wife Catherine was named for Catherine Wertman, and that Daniel baptized 1777 (I do not know if the mother's name is recorded in the baptism) was s/o that wife. But then how can Henry born 1757 also have been a grandson of Mrs. Wertman when the wife as late as 1772 was Regina? Or conversely if she were the mother of Regina, how would she have been grandmother of Daniel if we correctly have a wife Catherine as of 1775. Finding Mrs. Wertman's will or estate would be of great use.

1764 - John was among the six siblings of Catherine Straup (Straub) who signed away their shares of their father's estate to her.

?1764 - Can he be the John who deserted from the First Battalion of PA Troops, (1764 being the probably year of this record in the PA Archives)? If date is correct, subject is best candidate. John (5-1-3) was a long-established householder in Berks Co., John (5-1-4-1) was a boy. The record says "From Lancaster" which, judging from the rest of the text, meant on a march away from Lancaster rather than a resident of that place. This desertion just might explain why a native-born man would have taken an Oath of Allegiance in 1777, for which see below.

1769 - A John was sponsor for Maria Margaretha, d/o Abraham Bely (Rev. Schumacher's records.) Again, John (5-1-4-1) was still young though now 14.

1769 - "Jean Delang and wife" were parents of Johannes, b. 15 Oct 1769, baptismal sponsors Ephraim and Catherine Blum, per records of the Lutheran and German Reformed Church, Hamilton Twp., Northampton Co. (now Monroe) PA. This fits the age bracket of John Jr. s/o 1-7-3-1 and was long thought to pertain to him. However, see 1771 and 1772 following.

1771 - "Jean Delang and wife" were parents of Isaac b. 4 May 1771, baptismal sponsors Jacob Schnell and Maria Par, per records of same congregation. In that 1-7-3-1 had no known Isaac, while subject had both a John Jr. born in the 1760s and an Isaac born in the 1770s, it seems logical that the Hamilton Twp. couple was subject and wife rather than 1-7-3-1 and wife. Also, the fact that this is a German congregation opts for subject rather than the Dutch 1-7-3-1.

1772 - "Jean Delang and wife Regina" were sponsors for Regina Weit, b. 8 Aug 1772; bp. 15 Sep 1772, d/o Perdrick Weit and wife Maria Magdalena (again, records of the Hamilton Twp. German Church.) (This name is

not Frederick; he appears as Perdrick in three baptisms.)

Perhaps this first wife was a Weit. And possibly the name Weit connects to Bernet Wisz, one of the several signers to a petition in German in 1756, asking for security help. (petition is found in PA Archives I:iii:164; the list of signers published in the Tristate Trader in 1976) Rev. Fred'k Weiser advised that Bernet is Bernhard; that Wisz is not likely to be Weiser/Wyser though that NY Palatine family does show up in Northampton Co., PA.

As stated above, Jean and Regina were once confused with John (1-7-3-1) and wife Rachel. This was augmented by a 1958 letter from Elizabeth Walters, E. Stroudsburg, PA, in which the mother Rachel appeared in one baptism as Regina. Rachel, wife of (1-7-3-1) has now been identified and these two couples disassociated.

1772 - Taxed in Lynn Twp. 18 shillings. This tax record, the fact that one military record relates to John of Lynn Twp., and other military records suggest a John in association with Matthias (5-2-2) and Abraham (5-2-3) all suggest that other military records below also apply to John (5-2-4). Admittedly some might apply to (5-1-4-1.) None of the units below are named in the pension application of (1-7-3-1) and none is likely to pertain to him.

1775 - A son Peter was baptized to John and Catherine DeLange at Frieden's "White" Church, Albany Twp. Sponsors were John's brother Abraham DeLang (5-2-3) and Christine Steidel, mother-in-law of brother, Edward (5-2-5).

1777 - Bernice Sell, Berks Co. genealogist, advised in 1980 that John appears in other Frieden's records as DeLang and Lang. One of these would be the baptism there August 1777 of Daniel, s/o John De Lange.

1777 - A John took Oath of allegiance 6 July 1777. Was this mandatory for PA born residents? Or might it in some way have been related to the John who deserted the 1st Battalion in 1764 (see sheet 2) showing where he now stood politically?

1778 - John of 6th Co., 3d Bn, Northampton Co. Militia under Captain Robst (Archives V:8:236). This is probably Captain Probst in whose 6th Co. Matthias (5-2-2) served in 180 and 1782.

1778-83 - A John served with the Northampton Rangers on the frontier during this period (Archives III;23:296). Also see 1781.

1780 - Pvt. 4th Class, Northampton Co. Militia, Capt. Adam Stohler's Co. 26 Oct (Archives V:8:443).

1781 - Substitute for service on the Frontier, Capt. Stohler's Co., 15 Sep recorded 3 Oct (V:8:479) and again 12 Nov (V:8:422).

1782 - Pvt. 4th Class, Northampton Co. Militia (V:8:503), Capt. Stohler's Co.

1782 - Pvt. 3d Class, Capt. Stohler's Co., 6th Bn, this time identifying Lynn Twp. (V:8:449).

1782 - Pvt. 3d lass, Capt Jacob Greenewald's Co. (V:8:506).

1782 - A member of the first part of the 4th class, 6th Bn, Capt. Henry Greglow's Co., Lancaster Co. Militia, 27 July (V:7:317).
1785 - Received depreciation pay for service in the Continental line, Northampton Co. Militia, together with Abraham (5-2-3) and an otherwise unknown Jonathon who might be son or nephew (V:8:317).

(1781-85) - A John was taxed in Weisenberg Twp.; we suggest this was John (5-1-4-1), although subject's brother Matthew was taxed in Weisenberg 1785.

1785 - I did not find when John was first a grantee in Northumberland Co., but he was of Sunbury when he was a grantor to William McAdams 26 Nov 1785 of Sunbury lots disposed of at sheriff's sale to cover indebtedness to Jacob Kahn (C:228).

1787 - On 7 Feb 1787 Catherine Wertman granted power of attorney to her son (no doubt son-in-law) John Delong of Sunbury to recover debts due her in Lynn Twp., Northampton Co., also to sue the estate of Matthew Delong (John's brother (5-2-2) for plates, stove, bedstead, table, corner cupboard, chest, spinning wheel, reel, rifle, shot pouch, man's saddle, arm chair, two common chairs and on and on (C:440). Can this relate somehow to Catherine's bill of sale 26 Sep 1786 of John Arthur of all her household effects? (C:342?)

1790 - Census of Northumberland 2/3/2.

1790 - John was grantee, Catherine Shuck grantor, in a deposition re debt of grain (E:207).

1800 - On 2 Apr 1800 John sold his house and lot in Sunbury to Henry Delong and Daniel Delong to cover money owed to Samuel Roberts of Sunbury, Tobias Stapleton and John Stapleton of Albany, Berks Co., and to the sons Henry and Daniel which they had inherited from their grandmother Catherine Wertman, late of Sunbury (L:176).

1800 - John was still a householder at that summer's census of Sunbury 02001/01001.

1810 - John and wife Catherine sold land to son Samuel (P:445) on 24 Mar 1810.

1810 - A day laborer in Sunbury census 00001/00001.

181_ - Death of Catherine.

1820 - Sunbury 000001/00000, living alone.

1825 - John and son Samuel were grantees to John Youngman on 16 Nov, in accordance with a sheriff's judgment (BB:429). Not recorded until 1841.

182_ - Left Sunbury, crossed the river into what had become Union Co., in 1813.

1830 - Washington Twp., Union Co as John D. Long, age 80-90 with a female 40-50. If he were (5-2-4), he would have been at the 90 end of the bracket as his prob. son Henry was reportedly born in 1757.

1848 - PA Archives has a reference to a land warrant, Northumberland Co.: John DeLong, ex. 70 acres 2 Jan 1848 (III:25:789). What does ex mean? Does this relate to (5-2-4), no doubt deceased? There were no DeLongs in county 1840 or 1850 census. This action is apparently not recorded in Northumberland; after the 1825 grant above was recorded in 1841, the surname does not again appear in indexes until 1888.

SUGGESTED FAMILY - some probable, some possible:

5-2-4-1 HENRY inferred as s/o John in the latter's sale of house and lot in 1800, see 1800 above. The only candidate to be this man is a Henry b. 1757 per his tombstone, yet John was b. 1740 or after per his 1830 census entry, which however could have been a bracket low. Henry b. 1757 was of Plainfield, Northampton Co., and married Catherine _______ b. 1759.

1790 - Not in census.

1800 - Not in census.

1800 - John sold his house in order to pay Henry and Daniel DeLong their inheritance from their grandmother Wertman.

1807 - Henry and Catherine were sponsors in Plainfield for a s/o Henry's presumed brother Andrew.

1810 - Census of Plainfield 10010/10300. This places his birth after 1765 which while in disagreement with 1830 census and with tombstone still seems reasonable. But wife Catherine is absent from the household, all females being 26 or younger.

1818 - Catherine died or was buried Plainfield 16 Nov, age 59-8-10 (Easton record).

1820 - Plainfield 000001/00000.

1830 - Plainfield (indexed as Isaac!) age 70-80 with a female 50-6 who could be d/o second wife.

1830 - He died or was buried Plainfield 9 Sep 1830, age 73-7-19 (Easton record).

5-2-4-2 JOHN Jr. b. 15 Oct 1769 as Johannes, s/o Jean DeLang and wife, baptismal sponsors Ephraim and Catherine Blum. Lutheran and German Reformed Church of Hamilton Twp., Northampton Co., PA. Of

Northumberland Co., 1/1/1 as was his father. Untraced after this date, unless he was back in his grandfather Lynn Twp., Lehigh Co., during the 1810 census, though we suggest that John was more likely as s/o John (5-1-4-1.)

5-2-4-2-1 SON b. 1777-1790, under 14 in 1790.

5-2-4-3 "No longer used."

**5-2-4-4 ANDREW b. 1760-70, suggested as a son. Henry (5-2-4-1) was sponsor for one son, and Peter (5-2-4-6) for another. He md. Eva _____ and perhaps 2d Esther _____. Andrew settled in Columbia Co. as did Isaac (5-2-4-5) and Peter.*

**5-2-4-5 ISAAC b. 4 May 1771 to Jean Delang and wife, baptismal sponsors were Jacob Schnell and Maria Parr, same church as John above. Md. Hannah (Crawford?).*

5-2-4-6 PETER b. 22 Jun 1775; bpt. sponsors were Abraham (5-2-3) and Christine Steidel, mother-in-law of Edward (5-2-5). Holleman reports the baptism that year at Frieden's "White" church, Albany Twp., of Peter Delang, s/o John and Catherine. Another transcript had come to us as Lange. (An earlier issue of this sheet says of Andrew (5-2-4-4). He was not sponsor for Andrew's George or Henry. This leaves Thomas 1804 for whom we have no notation of sponsors. I think instead this is confusion with the Peter Lang of Berks Co. who was sponsor for Andrew's daughter Catherine in 1787). Peter was possibly the oldest of four sons in his father's home 1790, otherwise unknown.

5-2-4-7 JOHN DANIEL, called DANIEL, b. 14 Jul 1777 (Holleman typescript); bpt. 10 Aug 1777 (LDS) Frieden's "White" Church. The father sold his house in 1800 to Daniel and Henry (5-2-4-1). Oldest of three sons under 14 in 1790.

**5-2-4-8 JACOB b. ca. 1784, of present Union Co. and prob. a son. Perhaps md. Catherine _____.*

**5-2-4-9 SAMUEL b. 1787, identified as s/o John in History of Columbia and Montour Cos. PA, Vol I. p. 668, (which however erroneously gives John as s/o Peter (5-1)). Md. Elizabeth Plank or Black.*

5-2-4-10 DAUGHTER b. 1784-90, the only girl of 1790, and between 10-16 in 1800.

**5-2-4-11 (SON). John (5-2-4) was perhaps grandfather of Andrew DeLong b. by 1790 but we do not know through which son. Andrew (5-2-4-4) is of course the most obvious guess, but a large family has been traced for him with no son Andrew Jr. Note that John Jr. (5-2-4-2) had a son by 1790. Until this younger Andrew who is found in Northumberland Co. 1813 before going to OH, is not clearly identified, he will be assigned the number (5-2-4-11-1), son of (5-2-4-11) which likely represents either John Jr. or Andrew. Names of the children of the younger Andrew unfortunately give no clues as to whom their grandfather might have been.*

x-x-x-x JONATHON b. 1760s?, perhaps a son or nephew, served with John and his brother Abraham (5-2-3) in the Militia in 1785. See 1785 under John (5-2-4).

While looking through John D. Baldwin's Volume 8 DeLongs (Unplaced Delongs and Cross Reference by Location) found mention of:
PENNSYLVANIA CROSS REFERENCES MONROE CO: JOHN (5-2-4) b. 1740-1, in Hamilton Twp., Monroe Co. then Northampton Co. 1769-1792.

**5-2-5 EDWARD (ETWARD) born say late 1740s or even into 1750s. Named fifth in 1764 settlement and presumably fifth son. First known child born 1775. Md. Anna Maria Steidel.*

EDWARD or (ETWARD) (5-2-5) born say late 1740s or even into 1750s. Named fifth in 1764 settlement and presumably fifth son. Md. Anna Maria Agnes Steidel. He has appeared in old published lists of Abraham's children, but omitted in a recent abstract (from Louise Varisco) of 3 Aug 1764 deed (of which no readable copy could be made.) However, in the DeLong file in the Genealogy Section of the State Library of PA in Harrisburg is a 1955 letter by the scholar and historian Irwin H. DeLong to Mrs. Jorgen E. Jacobsen (he misaddresses her as Mrs. Jacob Jacobsen but name confirmed by other papers) of Chicago in which he states this deed names Edward fifth among the sons.

177_ - md. Anna Maria Agnes Steidel, d/o Joseph and Christine (________)Steidel. She is called Anna Maria at baptism of daughter in 1775, at which grandmother Christine Steidel was sponsor. She is called Maria Agnes in bpt. certificate of son in 1785, in which she is identified as d/o Joseph Steidel.

1775 - Baptism of d/o Edward & Anna Maria for whom the gr-m Christine Steidel was sponsor. That same year, a Christine Steidel, presumably the same woman, served with Edward's brother, Abraham Jr., at baptism of a s/o John & Cath. Lange (probably another brother, John DeLong (5-2-5). Both these baptisms were Frieden's "White" Church, Albany Twp., Berks Co.

1778 - Served 3d Battalion, Northampton Co. Militia (PA Archives V:8:228)

1785 - Son born Bofalo Twp., Northumberland Co., PA.

1786 - Lived in Lewisburg, across the river in what is now Union Co., but then still part of Northumberland. (Ref. = ?)

1790 - Census of Northumberland Co., PA 1/1/2

1794 - Edward and Agnes sold Lewisburg land to George Langs (P:432).

1810 - Perhaps Agnes was the female over 45 in home of son Edward Tyrone, Cumberland (now Perry) Co., PA.

Note: Until recently seeing 1955 research by I.H. DeLong, I had mistakenly suggested that Edward with wife Agnes was son rather than brother of John (5-2-4).
Children:

5-2-5-1 CHRISTINE MAGDALENE b. 12 Sep 1775; bp. 1 Oct 1775, to Edward and Anna Maria. Sponsor was the grandmother Christine Steidel. Freiden's "White" Church, Albany Twp., Berks Co.

**5-2-5-2 EDWARD b. 15 Dec 1785, "Bofflar Taunschip", Northumberland Co. md. Susanna Schreik, probably Schrake.*

**5-2-2 MATHIAS/Matthew estimate born around 1735-37. He was listed second among males in 1764 settlement and was presumably second son. Md. 176_ Maria Margareta ___.*

MATTHIAS / MATTHEW (5-2-2) b. say 1735-37. He is named second in 1764 settlement and was presumably the second son. J. DeLong's Plow a Straight Furrow says born 1740, but I doubt if there is any document and I think a few years too late.

176_ - He married Maria Margaretta _______, called Margareta. Could she have been a Falck? Falcks were baptismal sponsors for two of their children. George Falck was co-executor with widow Margareth of Mathias's estate.

1768 - Child baptized in what is now Lehigh Co.,

1772 - Tax 0.18.8 in Lynn Twp., Northampton Co. (Lehigh Co. formed in 1812 from Northampton Co.)

1772 - Child baptized in nearby Berks Co.

1774 - Child baptized in nearby Berks Co.

1780 - 26 Oct 1780 served in 6th Company, Northampton Co. Militia under Capt. Probst (PA Archives v:8:433)

1782 - Still under Capt. Probst (Archives V:8:513). Then on 27 Jul 1782 he was under Lt. George Grunewalt, Lancaster Co. (V:7:607) and 21 Sep 1782 (also V:7:607), the latter specifically as in the 2d Part of the 4th Class, 6th Battalion.

17__ - Plow a Straight Furow says he was a member of Jacob's Church in Jacksonville (Dutch Reformed) which he had a part in building.

1785 - Taxed 0.7.0 Weisenberg Twp., Lehigh Co., PA.

1785 - His death (PSF erroneously says 1788, thus I also questioned the birthyear it assigned to him, above.) Administration of his estate #1119 , Northampton Co. On 21 Nov 1785, Margareth Delong widow of Mathias Delong late of Lynn Twp., carpenter deceased, George Falck of Weisenburg Twp. yeoman, Martin Probst & George Breish of Lynn Twp. gave bond for $300. Administrators of Mathias' estate, Margareth Delong and George Falck were to prepare an inventory.

The three-page inventory, dated 3 Dec 1785, totaled £109.2.3, then was amended by sixpence "deduct for mistake", for a final £109.1.9. Subsequently further sums were added -- £ 21.1.6 the amount which said goods advanced by sale at public vendue; £2810.1 a bond due by Edward Delong; and £6.12.5 cash received of Jacob Arndt fees for collecting a county tax. The final total was £165.5.9.

Among the larger inventory entries were £21.3.0 for a bond of Peter Sasseman payable 27 Nov 1785; four cows and two calves £12.15.0; seven acres of grain £8.0.0; a pipe stove £3.10.0.

and two calves £12.15.0; seven acres of grain £8.0.0; a pipe stove £3.10.0.

Among the disbursements were £9.11.4 to John Delong (I assume his brother); £1.5.6 to Simon Wertman (note 1787 suit above by Catherine Wertman); another £20.0.0 to John Delong; £0.5.0 to John Wertman; £2.18.5 "due Jos. Delong (no doubt the son Johann Joseph) pay & expenses for going to Shamokin three times on business of the estate"; £0.5.0 paid for carriage in going to the Register's office to settle this account. The bond due from "Edward Delong, suppos'd insolvent" was deducted.

I find no mention of farm property in the inventory, but there was a modest £0.4.3 paid "the surveyor general & other expenses respecting the land and in going to Philada." After disbursements, the balance in the hands of the accountants was £20.6.0.

1787 - Catherine Wertman (see text for brother John (5-2-4) of Northumberland Co., PA brought suit against estate of Matthew Delong, late of Lynn Twp.

1809 - Administration of estate of Margaret DeLong of Lynn Twp., I assume Matthias's widow, #2617 (Lehigh Co.? I was told however, this is a Northampton administration.) The Herring Genealogy says on p. 23, "DeLONG: A petition of Nov. 27, 1809 in Northampton County (O.C. Bk. 3, p. 653) reads: "Mathias DeLong of Lynn Township died 24 year ago leaving a widow and 10 children, -- that the widow died recently -- that one of the children, Elisabeth, inter-married with George Herring, died leaving four children living at this time."

1812 - A Northampton Co. deed of 7 Mar 1812, recorded 27 Aug, shows that Mathias had died intestate leaving widow and six children -- Joseph, Jacob, John George, Catherine, Elizabeth and Christina. I do not know the occasion for this deed after the fact; L. Varisco was unable to get a readable photocopy. (H 3 ppp. 148-9) The Herring Genealogy says on p. 23, " DeLONG: A petition of Aug. 8, 1812 in Berks County (O.C. Bk. 5, p. 144) reads: "George Herring, -- inter-married with Elisabeth, a daughter of Mathias DeLong, deceased, that the said Elisabeth left issue four children, George, Catharine, Benjamin and Daniel, minors under 14, entitled to a portion of their said grandfather's estate."

1814 - Quit-claim deed granted 23 Apr 1814 to George Herring (his son-in-law) mentions George DeLong of Miami Co., OH (Letters of Admin. I;33).

Children:

**5-2-2-1 JOHANN JOSEPH, called Joseph, b. 27 Nov 1766; bp. 14 Dec 1766; md. Elizabeth "Maria" Snodgrass.*

**5-2-2-2 JOHANN JACOB, called JACOB, bp. 13 Oct 1768, Lehigh Co. "age 7 weeks today." Perhaps he had a first wife b. by 1765. His known wife Margaret "Peggy" was b. after 1775.*

5-2-2-3 MICHAEL b. 15 Jun 1772; bp. 26 Jul 1772 in Maxatawny, Berks Co. Sponsors were Michael DeLong (prob. 5-1-6) and Catherine Falck. He was dead by 1812 deed listing Matthias's children.

**5-2-2-4 JOHANN GEORGE, called GEORGE b. 4 Mar 1774 (Hinke) or 4 Apr 1774 (Ziegler). Bp. Maxatawny, Berks Co., 29 May 1774; md. Elizabeth Statler.*

5-2-2-5 CATHERINE md. Nicholaus Fischer. Resided Hamburg, PA 1815. From church records of Grimsville, Greenwich Twp., Berks Co., PA:

5-2-2-5-1 Elizabeth Fischer b. 24 Jan 1799; bpt. 10 Feb 1799 Grimsville, Greenwich Twp., Berks Co., PA; d. 31 Mar 1802. Bpt. sponsors were Christian Schlaugh & Elizabeth DeLang.

5-2-2-5-2 Samuel Fischer b. 26 Aug 1800; bpt. 21 Sep 1800 Grimsville, Greenwich Twp., Berks Co., PA. Sponsors were Georg and Elizabeth Hering.

5-2-2-5-3 Catharina Fischer b. 7 Sep 1802; bpt 17 Oct 1802 Grimsville, Greenwich Twp., Berks Co., PA; sponsors were Jacob & Catharine Gift.

5-2-2-6 ELIZABETH b. Lynn Twp. ca 1775; d. ca 1809 in Greenwich Twp., Lehigh Co. She was 2d wife of John Georg Hering (Herring Gene., p. 22)

Children of Elizabeth and John Georg Hering:

5-2-9 CATHERINE born probably well into the 1740s, named fourth among daughters in 1764 settlement by which date she was wife of Andrew/Andreas Straub (per IHDeL; Herring has Andres). A descendant is Louise Varisco, Strongsville, Ohio, 1992.

POSSIBLE SON, BUT HIGHLY QUESTIONABLE:

X-X-X JOHN LUCAS A son of this name has been attributed in print to Abraham, but he is not named in the 1764 estate settlement and I suggest he does not belong here. I suggest he was a Lang/Long. He is reported as John Lucas Lang at the baptism of son Philip Jacob born 5 Aug 1773; bp. 29 Aug 1773 at Allemaengel Lutheran Church, sponsors Philip and Barbara Brobst. (In a fairly new book of Berks Co births and bpts., Philip Jacob's father is shown not as John Lucas Long but as Johannes DeLong. And the church is identified as the Jeruselem "Red" Church in Albany Twp.) He is supposedly recorded as DeLang or DeLong at the 1768 baptism of John Jacob (5-2-2-2), also the same year at baptism of a son of Martin and Barbara Forsch. The original manuscript needs to be seen. (Allemaengel is, I have been told, a geographical area. Mrs. Sell said John Lucas appears in the records of the Jerusalem "Red" Church in Lehigh Co. 1/2 mile from Frieden's "White" church, and 3/4 mile from Lynn Twp. I assume, but could be wrong, that the former would be the Allemaengel Lutheran Church of Albany Twp.)

X-X-X-X PHILIP JACOB b. 1773, see text above.

POSSIBLE GRANDSON

X-X-X JONATHON. A Jonathon received Depreciation pay for service in the Continental Army in 1785, together with Abraham and John. The latter two were Abraham (5-2)'s sons of those names, or perhaps all three were grandsons (PA Archives V:4:317)

5-2-1 PETER estimated birth around 1733. He is the only child called by name in his father's 1755 will. Presumably the oldest son and perhaps the only son not a minor. Named in 1764 settlement. Nothing more is known of him. Perhaps he was the Peter, single in 1777 at baptism of Abraham (5-1-6-1). However, Peter (5-1-4-2) was a closer relative and thus a better candidate.

5-2-6 RACHEL presumably oldest daughter, named in 1764 settlement and obviously unmarried at that time. In order to accomodate John as being old enought, though scarcely, to become a father in 1757, I have placed him and his three older brothers as born in the period from 1733 to 1741. As oldest daughter, she too is likely in this period or even earlier.

**5-2-2-1 JOHANN JOSEPH, called Joseph, b. 27 Nov 1766; bp. 14 Dec 1766; md. Elizabeth "Maria" Snodgrass.*

JOHANN JOSEPH (5-2-2-1) b. 27 Nov 1766; bp. 27 Dec by Rev. Schumacher, probably in present Lehigh Co., PA.

1790 - According to descendants he went to Marion Co., VA (now W.Va.) where he met & md. Elizabeth "Maria" Snodgrass b. Feb 1779 per t.s., in Ireland per son Alexander in 1880, daughter of Col. William Snodgrass.

1799-1800 - In VA at birth of son George W. (Marion Co., Botetourt Co.?) Census not extant.

1805 - He bought 137 acres on Catawba Creek, Botetourt Co., VA 10 Oct 1805.

1810 - Census of Betetourt Co. 31010/10010. The son over 18 was George, those 0-9 were Joseph, James &

1810 - Census of Betetourt Co. 31010/10010. The son over 18 was George, those 0-9 were Joseph, James & Alexander. The daughter was Rebecca.

1815 - Joseph & Elizabeth on 7 Sep (not 15 Sep) sold the Botetourt Co., land bought in 1805.

1816 - Went to Miami Co., OH about this time, settled on the Great Miami River, not Little Miami as claimed in "Plow a Straight Furrow."

1817 - James Madison President of the United States to Joseph D. Long assignee of John Andrews having departed in the general land office a certificate of the Register of the Land Office at Cincinnati. Full payment made for fractional of Section 3, Township 1, and Range 9. Granted to Joseph D. Long the fractional lot or section of land. 22nd of February 1817. (Miami Co., Bk. 3; p. 463)

1818 - 1 January 1818 William Squire and Sarah his wife of Butler County to Joseph Long of Miami County for the sum of $1800 for the part of fractional Section No. 33, in Township 2, and Range 9.

Beginning at the Southwest corner of said fractional section running north twenty chains to the Miami River then with the Miami River on the meander thereof. First north 31 degrees East 15 chains, then north 46 degrees East 5 chains to a stake witness--Burr Oak 16 inches diameter. South 33 degrees West 7 links another 15 inches diameter. South 33 degrees West 11 links thence East 66 chains and 25 links to the east boundary of said fractional section then south 38 chains and 50 links to southeast corner of said fractional section thence west 80 chain to place of beginning containing 300 acres of land. Measure by James Wilson on 4 June 1808. (Miami Co., 3:3:15)

1820 - Bethel Twp., Miami Co. 130101/11010. Joseph had not actually reached 45. Eliz. and Solomon had been added to the family.

1821 - Elizabeth, consort of Joseph D. Long died 13 Sep 1821, age 42 yrs, 7 mos, per t.s. West Charleston Cem., Bethel Twp.

1822 - Md. 2d. Miami Co. 7 Mar 1822 Betsy (   ) Crane, b. 1775, reportedly in Lycoming Co., PA, widow of Benjamin Crane. The Crane Gene. shows Benjamin born 1755 in Harrisburg, died 12 Apr 1819, age 67 which instead suggests birth 1752. An old record originating with James Harvey says Benjamin was buried Bethel Cem. with dates 1782-1849. We suggest instead the t.s. says d. 1819 age 67 fitting the Crane Gene., and allowing for this otherwise unexplainable marriage of a Joseph DeLong to a Betsy Crain three years later. (Harvey must have been totally wrong in suggesting that Elizabeth Crane, wife of Benjamin, was Eliz. (Stadler) DeLong, widow of George (5-2-2-4).

1826 - Sold land to George Jr. whose identity is unclear. His nephew George Jr. was only three years old. It was probably Joseph's own son Geo. W. b. 1800 who perhaps had long been known as "jr" to his uncle, even though a true George Jr. was born 1823.

1829 - Sold Miami land to son Alexander et al.

1830 - Bethel Twp. as Joseph D. Long Sr. 00010001/1001001. Betsy should have been one bracket higher. The son could be Solomon who had just turned 15. The older girl could be Elizabeth, the younger unknown. An alternate possibility is that the younger people were a child, spouse and infant grandchild. Yet another, perhaps one or more were of second wife's family.

1836 - Witness to will of brother George.

1840 - 1849 - His will dated 4 May.

1850 - Bethel Twp. age 85 b. PA (should be 83), she 75 b. PA. Census indicates marriage within the year which is unlikely. See 1856 for others in the home.

1856 - He died 30 May, t.s. in West Charleston Cem. His name is broken off but the date appears, he is next to the grave of his first wife. The stone says in 93d year while he was not yet 89.

His will entered for probate Miami Co. 14 Jun 1856. It named all seven children plus Sarah A. Lafferty and Ann B. Davis, who had been 20 and 12 in 1850 in Joseph's home.

1860 - 1862 - Bethel Cemetery reportedly has t.s. for Elizabeth DeLong Crane died 15 Dec 1862, 87 years old, wife of Benjamin Crane. It simply makes more sense that she was Elizabeth ( ) (Crane) DeLong, widow first of Benjamin Crane and 2d of Joseph DeLong.

1863 - The will of Elizabeth DeLong dated 2 Nov 1858 was admitted for probate in adjacent Montgomery Co. 3 Jan 1863 naming relatives Jacob Crain, Margaret Wilson, Barbara Wollaston, Samuel Crain, heirs of Robert Crain deceased, heirs of Catherine Davis deceased, Mary Bayer. This would appear to be Elizabeth's family by her first husband Benjamin Crane. An heir of Catherine Davis was no doubt the Ann B. Davis 12 in 1850, named in Joseph's will in 1856, and perhaps the Sarah Lafferty, also in that census and the will. The unidentified young adults of 1830 could indeed have been Catherine (Crane) Davis, her husband and a daughter Sarah who later md. a Lafferty. We are also told of Miami Est. file #2781 for widow Eliz. Is this or Mont. Co. error for the the other? Or 2 records.

**5-2-2-1-7 SOLOMON b. prob. 1815; md. Mariah Landis.*

Possible grandson?

5-2-2-1-X-X Buried in the same plot as Joseph and his first wife are William H. Long 1856-1936 and his wife Cornelia 1857-1943. I cannot identify either as grandchild of Joseph. This couple were presumably the parents of a fourth burial Charles A. Long, 5 Jan 1886 - 21 Mar 1957.

Excerps from "Plow a Straight Furrow" by James C. DeLong:

Joseph DeLong when he moved to Ohio changed his name to Joseph D. Long and about 1830 changed it back.
It was a common practice for early pioneers to change the spelling of their names without bothering to secure Judicial sanction.
Perhaps DeLong in an essentially Anglo-Saxon community sounded too foreign.

While looking through John D. Baldwin's Volume 8 DeLongs (Unplaced Delongs and Cross Reference by Location) found mention of:

**5-2-2-2 JOHANN JACOB, called JACOB, bp. 13 Oct 1768, Lehigh Co. "age 7 weeks today." Perhaps he had a first wife b. by 1765. His known wife Margaret "Peggy" was b. after 1775.*
(unsure which bp. date correct 13 or 30th)
JOHANN JACOB (5-2-2-2) b. Sep 1768, bp. as Johann Jacob at Allemaengel now Lehigh Co., PA, 30 Oct 1768 "age 7 w'ks today" by Rev. Daniel Schumacher. Sponsors were Elizabeth Wannamaker and Lucas Lang or DeLong (I suspect Lang and not a relative. See final sheet for Abraham (5-2)).

179_ - Md. ______ ______.

1796 - Dau. Elizabeth b. in Pa.

1800 - He was poss. in Botetourt Co., VA with brother Joseph. Botetourt census not extant.

1806 - Son Joseph b. VA.

1810 - He does not appear in Botetourt, and the Ohio census is mostly non-extant. Was he back in PA? There is an otherwise unidentified Jacob in Lynn Twp., Lehigh Co. 20010/03101. If subject, the woman over 45 could be a first wife (known wife of 1820 was born after 1775), mother or mother-in-law. The female b. 1784-94 could be a daughter, less likely a second wife, as while the wife of 1820 was born after 1775, she may have been born before 1780.

1816 - Settled in Miami Co., OH perhaps about 1816 with brother Joseph.

1820 - In Bethel Twp. Miami Co. 111101/00110. The wife was born after 1775 (and before 1780 if we identify her correctly in 1830) and was no doubt the Margaret "Peggy" ______ who survived him. They may have been married as early as 1810, and if the 1810 census above does not pertain to subject, there may have been no previous wife and thus married at least by 1804 and probably earlier.

1822 - He died Bethel Twp. early 1822. Executors were appointed 14 May 1822. Payment made to widow Peggy of part of dower 18 May, and payment made 31 May for publication in the Dayton Watchman of notice to debtors and creditors. Inventory of estate was 3 August. In this same year, there is a receipt to Margaret "Long" for 50 cents county tax.

1822 - On 11 Oct 1822 John Fergus of Miami Co. was appointed guardian there to "Joseph Delong, an infant heir of Jacob Delong." The document (file 0309) undoubtedly refers to a single guardianship although the

heir of Jacob Delong." The document (file 0309) undoubtedly refers to a single guardianship although the handwriting could be taken as "Joseph Delong an(d) infant heirs of Jacob." Presumably Joseph was the only child still a minor; use of the term infant seems unusual since he would become 21 in five more years. (Mrs. Wall has provided a photocopy of this document -- I do not know how I had a report of Fergus being appointed on this date as guardian to Jacob Jr.; perhaps from the name on the outside of the file envelope being Jacob in reference to the deceased.

1824 - On 23 Aug 1824, Peggy received another part of her dower and daughter Jane was paid part of her inheritance. On 17 Oct, Joseph's portion was paid to his guardian John Fergus (how I had Joseph identified as "Joseph Jr." I do not know.)

1825 - On 4 Apr 1825, Peggy received the "remainder part" of her dower, Jacob Jr. received his share of his father's estate, Jane received the final portion of her share, and John Weaver received his wife's dower of her father's estate. The final account settlement on 9 Apr names these four.

In reviewing the estate records, they very plainly list five heirs: Peggy (the widow) receiving half of the estate -- $67.92 3/4, and each of the four children receiving one eighth of the estate (John Weaver -- Elizabeth's husband $16.97 3/4, Jacob DeLong $16.97 3/4, Jane DeLong $17.00, John Fergus for his ward Joseph DeLong $16.97 3/4.)

1827 - Joseph's guardianship was released 27 Oct 1827.

1830 - Perhaps Peggy is the female between 50-60 living with son Jacob in Bethel Twp.

Children:

5-2-2-2-X (FEMALE) b. 1784-94. If the 1810 census refers to subject, the female over 16 could be a daughter, less likely a second wife. If a daughter, she was gone from home by 1820 and is not identified in the estate.

5-2-2-2-X (FEMALE) b. 1794-1800. If the 1810 census refers to subject, there was an additional female gone by 1820 and not named in the estate.

5-2-2-2-1 ELIZABETH "Betsy Long" DELONG b. 1796 in PA. Died 18 Apr 1880 and is buried beside her husband in Hickory Grove Cemetery in Bethel Twp., Miami Co., OH. She was m. 23 Apr 1816 in West Charleston, Bethel Twp., Miami Co., OH (as per court marrriage records and a widow's pension application) to John Weaver. He was the son of Peter Weaver and was b. 10 Jan 1779 in MD. He d. 7 Dec 1870 (as per t.s.) or 8 Dec 1871 (as per Federal pension application Nat'l Archives File No. WC 14643 Claim No. 29078). He is buried in Hickory Grove Cemetery. He served in the War of 1812 in the OH militia under Capt. Jacob Mann -- enlisted 14 Nov 1812, discharged 13 Mar 1813, enlisted 14 Mar 1813, discharged 13 May 1813. 1840 census for Bethel Twp. 00021001/1220001.

Children of Elizabeth and John Weaver:

5-2-2-2-1-1 (Female) b. 1817-1820, appears in the 1820 & 1830 census. Possibly this is MARGARET who married Henry Longhman on 14 Nov 1838 in Miami Co., OH.

5-2-2-2-1-2 (Male) b. 1817-1820; appears in the 1820, 1830, 1840 censuses. Possibly this is JACOB who married Louisa Johnston on 27 Aug 1840 in Miami Co., OH.

5-2-2-2-1-3 John Weaver b. ca. 1821, appears in the 1830, 1840 and 1850 censuses. Married in Miami Co., OH 15 Jan 1852 to Elizabeth Wright.

5-2-2-2-1-4 James Weaver b. 2 Dec 1822, appears in the 1830, 1840 & 1850 censuses. Married in Miami Co., OH ca. 1847 to Delilah Blickenstaff. He d. 11 Dec 1887 and was buried in the New Carlisle Cemetery, Clark Co., OH.

5-2-2-2-1-5 Martha Weaver b. ca. 1825, appears in the 1830, 1840 & 1850 censuses. Married in Miami Co., OH on 11 Nov 1856 to John Dodson.

5-2-2-2-1-6 (Female) b. ca. 1830; appears in the 1840 census but not in the John Weaver household in the 1850 census.

5-2-2-2-1-7 Elizabeth Weaver b. 19 May 1834 and died single on 20 Oct 1865. She is buried in the Hickory Grove Cemetery, Bethel Twp., Miami Co., OH. She appears in the 1840, 1850 and 1860 censuses.

5-2-2-2-1-8 Amanda Weaver b. 1835, appears in the 1840 and 1850 censuses. She married in Miami Co., OH on 4 Aug 1853 to Michael Heffner, son of Michael Heffner and Elizabeth Fry. She died in 1905 and is buried in the Old Bethel Cemetery at Phoneton, Bethel Twp., Miami Co., OH. These are my gr-gr-grandparents. (S. Maingi)

5-2-2-2-1-9 Sarah Ann Weaver b. ca. 1837, appears in the 1840, 1850 and 1860 censuses. She married in Miami Co., OH on 22 Feb 1863 to Levi Shepherd.

5-2-2-2-2 JANE born probably 1794-1800. The 1820 census indicates 1794-1804 but lack of guardianship papers would indicate she was 18 by 1821. In that Jacob was probably born 1801-02, a date before 1801 seems likely. If the 1820 Lynn Twp. census refers to her father, then she would be the daughter born 1794-1800.

5-2-2-2-3 JACOB Jr. born probably 1801. Older of 2 males 0-9 in 1810. He was seemingly adult in Oct 1822 so born by Oct 1801. The 1820 census puts him in the 16-18 bracket so if approaching 19, this fits latter 1801.

Md. Miami Co., 29 Dec 1829 Margaret Whitsell. WFT 5:2786 shows her as b. 1815, so she would be the female age 10-14 in the 1830 census Bethel Tp. 00001/00100001, and the adult woman could have been Jacob's m or m-in-l.

5-2-2-2-3-1 George b. 1830 per WFT. Note sister Hannah in Randolph Co., IN. Can he be the George b. OH, 1826-7, 53 in Wash. Twp., Randolph Co. 1880 with wife Malinda _____ 30 b. IN, and ch:

5-2-2-2-3-2 Charles b. 1833

5-2-2-2-3-3 Hannah b. IN, 1837, d. July 3, 1908. Md. John M. Huston b. OH, Aug 18, 1829, d. Winchester, Randolph Co., IN, Oct 4, 1900.

**5-2-2-4 JOHANN GEORGE, called GEORGE b. 4 Mar 1774 (Hinke) or 4 Apr 1774 (Ziegler). Bp. Maxatawny, Berks Co., 29 May 1774; md. Elizabeth Statler.*

JOHANN GEORGE (5-2-2-4) b. 4 Mar 1774 (Hinke), 4 Apr 1774 (Ziegler); bp. 29 May 1774 Maxatawny, Berks Co., PA. Sponsors John George Falck and wife Dorothea.

1790 - Whereabouts unknown, probably with relative.

1800 - Whereabouts unknown. Presumably unmarried, he could have been with relatives in PA, or gone into Virginia with brother Johann Joseph. Brother Johann Jacob may also have been with Joseph as he was in VA by 1806.

1805 - Took land at the Cincinnati Land Office as George DeLong, land in Montgomery Co., OH 29 Jun 1805. He did not necessarily move at that time. Brother Joseph did not go to OH until after 1815 and there is no reason to think that brother Jacob did - he was certainly in VA in Oct 1806.

1806 - Perhaps md. about this time Elizabeth Statler b. VA ca. 1789-90, assuming their son George Jr. was born at least by about 1807 as indicated by one, possibly two, records (See under George Jr.) Elizabeth was d/o

George Statler, a soldier of the War of 1812. Her birth as 1789-90 is determined by the 1860 and 1870 censuses, her county death record puts birth between Feb 1788 and 1789 and her t.s. approximates May 1787. 1840 suggest born 1790 or later, and the 1850 census is open to dispute.

1808 - Brother Joseph bought land in 1805 in Botetourt Co., VA, and there was a "deed in" for a George in Botetourt Co., 1808. Since this same land was deeded out in 1814, we presume it does not pertain to the unidentified other George DeLong b. 1777, probably a relative, who married in Botetourt in 1798 and lived a long life there. We need a search of Botetourt records; perhaps the younger George did buy in 1808 and sell in 1814, but presumably he was landed at death as he left a will.

1810 - Not in census of PA, nor in Botetourt Co., VA. Ohio census mostly non-existant but probably not there yet.

1813 - Had reached OH by this time. Phillip Hull and Mary Hull wife, appointed Daniel Symms, register of the land office at Cincinnati, Ohio as their attorney. Deed to George D. Long of Miami County for the northwest quarter of Section No. 32 in Township No. 2 of Range No. 9 between the Miami Rivers so soon as the Patent from the President of the United States to said Phillip Hull shall be received in the office of Daniel Symms. 15th of February 1813 (I:199-200)

1815 - 1 Feb 1815 Phillip Hull of Miami County to George D. Long of Miami County for the sum of $750 for the Northwest quarter of Section 32, Township 2, Range 9, containing "one hundred and six one acres" (sic) Recorded 24th day of May 1815 (2:393-3)

1820 - Bethel Twp., Miami Co. 300100/30010. Only one of the three sons age 0-4 can be identified for sure, William b. 1814. Another is likely George Jr. but he was more likely about 13 than under 5. The girls were Christina, Ellen and Sarah.

1830 - Bethel Twp., Miami Co. as George D. Long Sr. 12110001/2021001. The son 15-19 could be George Jr. who however was more likely about 23. Or it might be the unknown third boy of 1820. The son 10-14 would be William, the youngest three were Washington, David and Abraham. The girls were the three of 1820 (unless one was replaced by George's possible wife of 1825) plus Elizabeth and Henrietta.

1836 - His will dated 20 Oct 1836, of Bethel Twp., names only wife Elizabeth. Brother Joseph was among witnesses. Another reference to association of the the two men is that George's children Ellen Surfus, Sarah Fitch and Abraham all appear in old records of the DeKalb Co., Ind. reunion of some of Joseph's descendants.

Died 26 Oct 1836. His tombstone as George D. Long Sen., broken though still legible (1979) at the Bethel Cemetery, S.R. 202 just N. of US 40, give age as 64 instead of 62.

Will probated 31 Oct 1836; on 7 Nov son William and brother Joseph and John C. Crawford were appointed administrators.

1840 - The widow appears in Bethel Twp. as Elizabeth Long 12112/0011201. The daus. over 20 are Ellen and Sarah; the dau. 15-19 is Elizabeth; the 10-14 is Henrietta. The youngest son is Edward, those 5-9 are T. J. and Isaac, the 10-14 is Abraham. The 15-19 is probably David. Those 20-29 were William and likely Washington who however was only about 17. An alternate intepretation is that the men 20-29 were William and George Jr., while either David or Washington was omitted or perhaps working away from the home.

1850 - She was 60 in Bethel Twp, b. VA per one reading. And now a new film has come along which looks to me like 50 though perhaps 59 was intended. It does not seem to be 60. Children's ages are also wrong. Son William was head of household.

1851 - Horatio Terome, executor of last will and testament of David DeLong late of Miami Co., as of the April term of Common Pleas Court of Miami Co. 1851 for the sum of $200 by William DeLong, purchaser of one undivided eleventh part of 60 acres of land in the North part of fractional Section 2, Township 1, Rang 9 and one undivided eleventh part of the Northwest quarter of Section 32, Township 2, Range 9, being an undivided part of the Homestead of George DeLong Sen. late of said county deceased, subject to the life estate of Martha E. DeLong. [David's wife] 23rd August 1851 [26:537-538]

From this it appears that eleven surviving siblings shared in David's inheritance from their father, subject to the widow's life estate. (Those deceased were George Jr. and the son born before 1820, name unknown.)

1860 - She was 70 in Bethel Twp., b. VA.

1867 - 25th day of October 1867, Elizabeth DeLong did by deed of that date recorded in Book 1, page 13 of the lease record of Miami Co., Ohio in consideration of the rents, covenants, and stipulations of David D. Young. [48:550] Young was the husband of daughter Henrietta.

1870 - Township of Bethel, County of Miami, Northwest quarter of section 32, Township 2, Range 9, and the ground intermediate on the West between said quarter and the Miami River containing 220 acres. David D. Young released all the estate, right title, and interest in the above land. Received Dec. 14, 1870. [48:550]

1870 - She was in Bethel Twp., age 80 b. VA living with daughter Harriet and her husband.

1872 - She died Tippecanoe 13 Feb 1872, age 83 per county death record so born prior to Feb 1789. Tombstone at Old Bethel Cemetery reads 15 Feb 1872, age 84 years 9 Months so born by May of 1787. These contradict 1860 & 1870 censuses which indicate b. Jul 1789 to Jun '90. Elizabeth's tombstone reads:

> *Her toils are over, the work is done*
> *and she is fully blest.*
> *She fought the fight, the victory won*
> *and entered into rest.*

1872 - David D. Young and Henrietta Young, John Ross and Eliza Ross, Nathaniel Fitch and Sarah Fitch, William DLong, Thos J. DLong and Edward DLong sold to Samuel Sullivan for the sum of $5640 part of fractional section no. 2, Town 1, Range 9 East and part of the northwest quarter of section no. 32, Town 2, Range 9. Beginning at a stone in the center of said section thence north 88 degrees west 215.12 rods to a burr oak tree on the east bank of the Great Miami River, thence northwardly with the meandering thereof as follows, north 23 west 12.76 rods, thence north 14 west 7.72 rods, thence north 22 west 7.88 6.4 rods, thence south 88 degrees east 230 rods to a stone in the half section line. Thence south 1 1/4 degrees west 43.50 rods to the place of beginning. Containing 60 acres and 3.9 perches more or less. 5 October 1872. Affidavits from Allen Co., Indiana, home of Nathaniel Fitch on 7 Oct 1872. From Van Wert Co., Ohio, home of Edward DeLong on 9 Nov 1872. The rest were from Miami Co., Ohio. [53:55] Note Christina and Ellen, Wash. & Isaac are omitted. Abraham prob. not living.

1872 - 19 Jul 1872 Martha DeLong, guardian of Mary L. DeLong a minor filed as such guardian in Probate Court of Miami Co. [Martha was widow of David.]

On 6 Aug 1872 said court ordered that said Martha DeLong should sell the following property: the undivided 2/13 parts of 220 acres known as the George DeLong farm. North part of fractional Section 1 [should be 2], Town 1, Range 9 and the northwest quarter of fractional Section 32, Town 2, Range 9.

Sold to Samuel Sullivan for the sum of $867.69 the following: stone set for a corner at the southeast corner of northwest quarter of Section 32, thence north on the half section line 43 1/2 rods, thence north 88 degrees west 230 rods to the Great Miami River, thence with the meanderings of said river to the lands of Samuel Sullivan. Thence east with the north line of said Samuel Sullivan to place of beginning, containing 60 acres and 39 perches, 2/13 parts of premises. [53:102]

1872 - Martha DeLong guardian of Mary L. DeLong a minor on 19 July 1872 sold for an unstated sum to William DeLong the following: the undivided 2/13 parts of 220 acres known as the George DeLong farm north part of fractional Section 1 [should be 2] Town 1, Range 9 and the northwest quarter of fractional Section 32 Town 2 Range 9, 60 and 161 acres. Court ordered her to sell. Recorded 6 Nov 1872 [54:442-3]

1874 - William DeLong sold the northeast corner of the northwest quarter of Section 32 Twon 2 Range 9 161 acres and 89 perches for the sum of $800 paid by Christina Fair, Ellen Surface, Sarah Fitch, Washington DLong, Edward DLong, Jefferson DLong, Eliza Ross, and Henrietta Young. 20 July 1874 [54:443]

1874 - Washington DeLong, Christina Fair, Ellen Surface, John Surface, and Harriet DeLong of DeKalb Co., Indiana sold their interest in the part of Section 2, Town 1, Range 9 and the northwest quarter of Section 32, Town 2, Range 9 to David D. Young for the sum of $750. Aug 1874. [54:444]

1874 - Nathaniel and Sarah Fitch sold all rights and interest they have in the farm known as the George DeLong farm which is part of fractional Section 2, Town 1, Range 9 and the northwest quarter of Section 32, Town 2, Range 9 with 160 acres. Sold to David D. young for the sum of $1000. Affidavit from Allen Co., Indiana, home of

Nathaniel and Sarah Fitch on 15 Aug 1874. [54:444]

Notes

**5-2-2-1-7 SOLOMON b. prob. 1815; md. Mariah Landis.*

SOLOMON (5-2-2-1-7) b. 10 Sep 1815 in Botetourt Co., VA [Ref. Mrs. Scurr] and is the most likely date though other dates will be encountered below.

1816 - Taken to OH about this time.

1820 - The son age 0-9.

1830 - The son age 15-19.

1830s - Said to have been an early explorer in DeKalb Co., IN. This is not unreasonable as three older brothers settled there 1838-9 and he was to live there after his marriage.

1837 - likely the Solomon who purchased 55.75 acres W1/2SE__, Sec 6, Twp., 33N, Range 15E (DeKalb Co., IN) signature date 3/15/1837.

1840 -

1841 - He crossed back into western OH and md. 21 Aug 1841 in Defiance Co. Mariah Landis. She b. 11 Dec 1821 in Preble Co., OH d/o David and Mary Landis. (Paulding Co., OH marriage record: Delong, Solomon Maria Landis Aug 26, 1841.)

1850 - Newville, DeKalb Co. age 39, b. VA, which gives birth of 1810-1 which could barely fit the 1820 and 1830 censuses, but is likely too early in view of Scurr's family data. Mariah was 28 and b. OH.

1860 - Newville 41 b. VA. Which age is also doubtful making him younger than the Scurr date while 1850 made him older. This also puts him outside his 1830 age category. Mariah was 38 and b. in OH.

1862 - Resigned or more likely received 2d Lt. commission, 44th Ind. Inf. 19 Dec 1862.

1864 - He was promoted from 2d Lt. to 1st Lt. at Waterloo, DeKalb Co., Co. F. of the 44th. At this time he was 45 which points to birth 1818-9, again too young for his 1830 census category.

1864 - Served field and staff; promoted to Major.

18xx - A Solomon was Lt. Col., 129th Ind. Inf. per Historical Register of US Army 1789-1903, p. 94. If this were Civil War service, then it is likely our subject.

1870 -

1873 - will DeKalb Co., 18 Mar 1873, names wife Mariah, sons George, David D., Alfred, Alva L., Joseph S.

1873 - He d. 17 Apr 1873 in Newville, DeKalb Co., IN.

1880 - She was 58 in Newville, b. OH of PA parents, living alone. Her sons George and Joseph both erron. claimed a PA mother in this census.
1912 - She d. 28 March 1912 in Chicago; bur. Newville.

1912 - She d. 28 March 1912 in Chicago; bur. Newville.

Children:

5-2-2-1-7-1 JOHN L. b. __Apr 1842 in IN, 8 in 1850, 18 in 1860. Served Co. E, 11th I.V.I., wounded at Ft. Donaldson; d. 26 Mar 1862 near New Albany, IN, age 19-11-18. Service recorded on t.s. Newville Cemetery.

**5-2-2-1-7-3 DAVID DENMON b. 1846; md. Emmalyza "Emma" Lete Knepper.*

5-2-2-1-7-4 ALFRED S. b. 1847-8, 2 in 1850, 12 in 1860. He lied about his age, stating 18, when mustered into Co. F, 129th Ind. Inf, Newville, 1863. Died 28 Apr 1873.

5-2-2-1-7-5 ALVA L. (not Albert) b. prob. late 1850, 10 in 1860, named in father's 1873 will. He appears somewhere as Albert in a family list, perhaps just a typo.

5-2-2-1-7-6 MORRIS/MAURICE b. 19 Mar 1855; d. 21 Aug 1858, age 3-5-21.

5-2-2-1-7-7 JOSEPH S. b. 1852; md. Fidellis Horisington.

Note: A tradition says three of the seven sons died at an early age, however five were living as late as 1873, the youngest of them 21.

WRITE-UP: (Lebanon Valley College newspaper 1966))
DeLong Brought Harmony, Innovations to LVC Campus
David Denman DeLong was born in Newville, Indiana, on Nov. 11, 1846.
He enlisted at age 17 in the Union Army and served from 1863 to 1865 with the 129th Indiana Volunteers.
He was educated at Otterbein University (B.A., 1870) and Allegheny Theological Seminary.
When elected as the third president of LVC in 1876, he was pastor of a UB church at Mount Pleasant, in western Pennsylvania.

DeLong brought harmony and stability to the College, as well as innovations which created a richer social and cultural life for the campus and the community. He promoted the education of women and his wife, Emma Knepper DeLong, Professor of Greek, is said to be the first woman in the U.S. to hold such a position.

After his resignation in 1887, he served as pastor of Congregational churches in Kansas and Chicago.

In 1932, 10 years after his retirement to California, he died. He was 85 years old

While looking through John D. Baldwin's Volume 8 DeLongs (Unplaced Delongs and Cross Reference by Location) found mention of:

**5-2-2-1 JOHANN JOSEPH, called Joseph, b. 27 Nov 1766; bp. 14 Dec 1766; md. Elizabeth "Maria" Snodgrass.*

JOHANN JOSEPH (5-2-2-1) b. 27 Nov 1766; bp. 27 Dec by Rev. Schumacher, probably in present Lehigh Co., PA.

1790 - According to descendants he went to Marion Co., VA (now W.Va.) where he met & md. Elizabeth "Maria" Snodgrass b. Feb 1779 per t.s., in Ireland per son Alexander in 1880, daughter of Col. William Snodgrass.

1799-1800 - In VA at birth of son George W. (Marion Co., Botetourt Co.?) Census not extant.

1805 - He bought 137 acres on Catawba Creek, Botetourt Co., VA 10 Oct 1805.

1810 - Census of Betetourt Co. 31010/10010. The son over 18 was George, those 0-9 were Joseph, James & Alexander. The daughter was Rebecca.

1815 - Joseph & Elizabeth on 7 Sep (not 15 Sep) sold the Botetourt Co., land bought in 1805.

1816 - Went to Miami Co., OH about this time, settled on the Great Miami River, not Little Miami as claimed in "Plow a Straight Furrow."

1817 - James Madison President of the United States to Joseph D. Long assignee of John Andrews having departed in the general land office a certificate of the Register of the Land Office at Cincinnati. Full payment made for fractional of Section 3, Township 1, and Range 9. Granted to Joseph D. Long the fractional lot or section of land. 22nd of February 1817. (Miami Co., Bk. 3; p. 463)

1818 - 1 January 1818 William Squire and Sarah his wife of Butler County to Joseph Long of Miami County for the sum of $1800 for the part of fractional Section No. 33, in Township 2, and Range 9.

Beginning at the Southwest corner of said fractional section running north twenty chains to the Miami River then with the Miami River on the meander thereof. First north 31 degrees East 15 chains, then north 46 degrees East 5 chains to a stake witness--Burr Oak 16 inches diameter. South 33 degrees West 7 links another 15 inches diameter. South 33 degrees West 11 links thence East 66 chains and 25 links to the east boundary of said fractional section then south 38 chains and 50 links to southeast corner of said fractional section thence west 80 chain to place of beginning containing 300 acres of land. Measure by James Wilson on 4 June 1808. (Miami Co., 3:3:15)

1820 - Bethel Twp., Miami Co. 130101/11010. Joseph had not actually reached 45. Eliz. and Solomon had been added to the family.

1821 - Elizabeth, consort of Joseph D. Long died 13 Sep 1821, age 42 yrs, 7 mos, per t.s. West Charleston Cem., Bethel Twp.

1822 - Md. 2d. Miami Co. 7 Mar 1822 Betsy ( ) Crane, b. 1775, reportedly in Lycoming Co., PA, widow of Benjamin Crane. The Crane Gene. shows Benjamin born 1755 in Harrisburg, died 12 Apr 1819, age 67 which instead suggests birth 1752. An old record originating with James Harvey says Benjamin was buried Bethel Cem. with dates 1782-1849. We suggest instead the t.s. says d. 1819 age 67 fitting the Crane Gene., and allowing for

with dates 1782-1849. We suggest instead the t.s. says d. 1819 age 67 fitting the Crane Gene., and allowing for this otherwise unexplainable marriage of a Joseph DeLong to a Betsy Crain three years later. (Harvey must have been totally wrong in suggesting that Elizabeth Crane, wife of Benjamin, was Eliz. (Stadler) DeLong, widow of George (5-2-2-4).

1826 - Sold land to George Jr. whose identity is unclear. His nephew George Jr. was only three years old. It was probably Joseph's own son Geo. W. b. 1800 who perhaps had long been known as "jr" to his uncle, even though a true George Jr. was born 1823.

1829 - Sold Miami land to son Alexander et al.

1830 - Bethel Twp. as Joseph D. Long Sr. 00010001/1001001. Betsy should have been one bracket higher. The son could be Solomon who had just turned 15. The older girl could be Elizabeth, the younger unknown. An alternate possibility is that the younger people were a child, spouse and infant grandchild. Yet another, perhaps one or more were of second wife's family.

1836 - Witness to will of brother George.

1840 - 1849 - His will dated 4 May.

1850 - Bethel Twp. age 85 b. PA (should be 83), she 75 b. PA. Census indicates marriage within the year which is unlikely. See 1856 for others in the home.

1856 - He died 30 May, t.s. in West Charleston Cem. His name is broken off but the date appears, he is next to the grave of his first wife. The stone says in 93d year while he was not yet 89.

His will entered for probate Miami Co. 14 Jun 1856. It named all seven children plus Sarah A. Lafferty and Ann B. Davis, who had been 20 and 12 in 1850 in Joseph's home.

1860 - 1862 - Bethel Cemetery reportedly has t.s. for Elizabeth DeLong Crane died 15 Dec 1862, 87 years old, wife of Benjamin Crane. It simply makes more sense that she was Elizabeth (   ) (Crane) DeLong, widow first of Benjamin Crane and 2d of Joseph DeLong.

1863 - The will of Elizabeth DeLong dated 2 Nov 1858 was admitted for probate in adjacent Montgomery Co. 3 Jan 1863 naming relatives Jacob Crain, Margaret Wilson, Barbara Wollaston, Samuel Crain, heirs of Robert Crain deceased, heirs of Catherine Davis deceased, Mary Bayer. This would appear to be Elizabeth's family by her first husband Benjamin Crane. An heir of Catherine Davis was no doubt the Ann B. Davis 12 in 1850, named in Joseph's will in 1856, and perhaps the Sarah Lafferty, also in that census and the will. The unidentified young adults of 1830 could indeed have been Catherine (Crane) Davis, her husband and a daughter Sarah who later md. a Lafferty. We are also told of Miami Est. file #2781 for widow Eliz. Is this or Mont. Co. error for the the other? Or 2 records.

Possible grandson?

5-2-2-1-X-X Buried in the same plot as Joseph and his first wife are William H. Long 1856-1936 and his wife Cornelia 1857-1943. I cannot identify either as grandchild of Joseph. This couple were presumably the parents of a fourth burial Charles A. Long, 5 Jan 1886 - 21 Mar 1957.

Excerps from "Plow a Straight Furrow" by James C. DeLong:

Joseph DeLong when he moved to Ohio changed his name to Joseph D. Long and about 1830 changed it back.
It was a common practice for early pioneers to change the spelling of their names without bothering to secure Judicial sanction.
Perhaps DeLong in an essentially Anglo-Saxon community sounded too foreign.

While looking through John D. Baldwin's Volume 8 DeLongs (Unplaced Delongs and Cross Reference by Location) found mention of:

**5-2-2-1-1 GEORGE WASHINGTON b. VA 1799-1800 md. 1st Rebecca York and 2d Julia Ann (Essig) Daily*

GEORGE WASHINGTON (5-2-2-1-1) b. 1799-1800 in VA.

GEORGE WASHINGTON (5-2-2-1-1) b. 1799-1800 in VA.

1810 - The son age 10-15.

1816 - Taken to Miami Co., OH about this time.

1820 - The son 16-26.

1827 - Md. 4 Mar 1827 in Miami Co. Rebecca York. She b. 1806-7 in OH. (Jim Harvey erron. had her maiden name as Essig and her birth as 1801.)

1830 - George D. Long Jr. was of Bethel Twp. 20001/00001. This is hard to interpret. Subject's uncle George had a son George Jr. who may have married in 1825, may have been old enough to be a householder in 1830, and lived until ca. 1836, probably longer. But no record of a family has been noted, while this 1830 census fit's subject's known family. (Three relatives follow George D. Long Jr.'s entry, then he is seemingly duplicated as George Long with the same household schedule.)

1835 - Settled in DeKalb Co., IN, prob. about this time. The Indiana Historical Magazine says they came from Montgomery Co., OH but Miami Co. seems more likely. Another version, in a genealogy published ca 1972 by descendant James C. DeLong, says they went from Miami Co. to Marion Co.

1838 - James C.'s book continues that they sold Marion Co. land in 1838. They were definitely of DeKalb Co., IN. by some time in 1838 when they sold Allen Co., OH land to John Weaver of Miami Co. This is prob. the John Weaver who md. Elizabeth DeLong, d/o subject's Uncle Jacob.

1840 - DeKalb Co. 3100001/100001.

1850 - They had reached Allen Co., IN by this date and appear in the census of Perry Twp. George 50 b. VA, Rebecca 43 b. OH.

1851 - Death of Rebecca. (t.s. at Cedar Chapel Cem., DeKalb Co., IN has REBECCA wife of GEORGE DeLONG died Jan 2, 1851 agd 42 yrs 9ms 4ds.)

1851-2 - Md. 2d Julian "Julia Ann" (Essig) Daily. She b. about 1815, d/o Simon and Julia (Schneer), who had first md. in Stark Co., OH 31 Jan 1833 George Daily. The Dailys left OH for DeKalb Co., IN about 1843 between the births of son George in OH and daughter Elizabeth in IN. 1970-71 correspondence with descendant James Clifford DeLong provided a lot of contradictory info. on the Essig and Daily families. Other than the seemingly correct material presented here I will not venture into this material, leaving it to descendants to sort out whenever they may encounter it.

1853 - The only child of this marriage was born 1852-3.

1855 - He d. in IN, presumably Perry Twp., Allen Co. Bur. Cedar Chapel Cem., nw corner CR 68 & CR 11, in Butler Twp., DeKalb Co., IN. (t.s. has GEORGE DELONG died Jan 5, 1855, aged 54 yrs 10 mo & 1da.)

1860 - She as Julia Ann, 45 b. OH in Perry Twp., Allen Co. With her were her children by George Daily (the name spelled Dailey in this census): John 22, Julia A. (who prob. later md. Eli Myers) 18, George 18, all b. OH, and Elizabeth 15 b. IN., as well as Rebecca, her sole child by subject. Also in the home was Polly (Daily) DeLong 22 b. OH, d/o Julian by her first husband and wife of Julian's step-son James G. who was in the West. Last were James G. and Polly's children George 5 and Sylvia Ann 3.

1870 -

1878 - widow to Steuben Co., IN (ref. lost).

1880 - Julian was 63, b. OH of PA parents in Keyser Twp., DeKalb Co. living with daughter Rebecca.

It has been claimed that Julian married five times. I question this. She was 18 at her marriage to George Daily, and she was under the second husband's surname in 1880. The interval between those marriages was small. Perhaps there was one more marriage somewhere along the line, but three more seems very doubtful.

Children by 1st wife:

**5-2-2-1-1-1 JOEL b. 1827-8; md. Mehitable _____.*

**5-2-2-1-1-2 SAMUEL ALEXANDER b. 1829; md. Clarinda Angelina Blackwood.*

**5-2-2-1-1-3 ALEXANDER b. 1831; md. Melissa _____.*

**5-2-2-1-1-4 JAMES G. b. 1832-3; md. step-sister Polly Daily.*

5-2-2-1-1-5 MARY ANN b. OH ca. 1834-5, 15 in 1850. A likely duplicate entry for her, also in Perry Twp., Allen Co. is as age 18 in the home of Dr. Elbridge Warlick, presumably as a domestic. She d. 1862; bur. Cedar Chapel Cem., Allen Co. She md. Gilbert Patterson. He b. 1835 who after her death remarried and went to Mich.

5-2-2-1-1-6 JOSEPH G. b. IN 1839-40, 10 in 1850.

5-2-2-1-1-7 SOLOMON b. IN 1840-1, 9 in 1850. Called a '49er, obviously too young for that but perhaps went West later. He served as Lt. Colonel Union Army in Civil War.

Children by 2d wife:

5-2-2-1-1-8 REBECCA b. IN 1852-3; md. 1st John DePew. He b. In 1850-1. He was 29 Keyser Twp., Allen Co. 1880 of PA father & OH mother. She was 27 of VA father and OH mother. She md. 2d ____ Cox and md. 3d ____. She d. 1924.

Children:

5-2-2-1-1-8-1 Olive DePew b. 1871-2, 8 in 1880.
5-2-2-1-1-8-2 Minnie DePew b. 1876-7, 3 in 1880.
5-2-2-1-1-8-3 Oliver DePew b. 1877-8, 2 in 1880.

Middlename from Indiana records.

While looking through John D. Baldwin's Volume 8 DeLongs (Unplaced Delongs and Cross Reference by Location) found mention of:
OHIO CROSS REFERENCES ALLEN CO.: GEORGE WASHINGTON (5-2-2-1-1) b. 1799-1800, sold land here 1838, but prob. never lived here.

OHIO CROSS REFERENCES MARION CO.: GEORGE W. (5-2-2-1-1) b. 1799-1800, reportedly sold land here 1838.

INDIANA REFERENCES STEUBEN CO.: GEORGE W. (5-2-2-1-1) b. 1799-1800. His widow said to have gone to Steuben 1878 but it was likely DeKalb where she is found in 1880.

Microfilm records at Allen Co. Library show that George Washington & Rebecca York DeLong have daughter Rebecca DeLong b. 1854 in Allen Co., IN. (SEE BELOW, coincidence or error??)

**5-2-2-1-2 JOSEPH JR. b. VA prob. ca. 1805 under 16 in 1820; md. Jane Graves.*

JOSEPH Jr. (5-2-2-1-2) b. VA prob. ca. 1805.

1810 - Oldest of three sons 5-9, Botetourt Co., VA.

1816 - Taken to Miami Co., OH about this time.

1820 - Oldest of 3 sons 10-15.

182_ - Md. Jane Graves. She b. 1804-5 in NY. Her name is from death cert. of son Rufus, first name confirmed by 1850 census. (In his many confusing communications, Jim Harvey in one letter called her Jennie Noble, in another Kathryn, the latter being confusion with Joseph DeLong, son of his uncle Jacob.)

1830 - Bethel Twp., Miami Co., OH as Joseph D. Long Jr. 00001/10001 (seemingly duplicated on same page as Joseph Long, same enumeration schedule.)

1838 - Still in OH at birth of a son.

1838-39 - To DeKalb Co., IN prob. in 1838 as his older brother G. W. seems to have reached DeKalb about that time.

1840 - DeKalb Co. 211001/010001.

1841 - likely the Joseph who purchased 40 acres SE__SW__, Sec 22, Twp., 35N, Range 13E (DeKalb Co., IN) signature date 11/10/1841.

1845 - Obviously not deceased as claimed by Jim Harvey.

1849 - Named in father's will.

1850 - Smithfield Twp., DeKalb Co. age 50 (a bit too old judging from all earlier census) b. VA, Jane 45 b. NY. (In Harvey's meanderings, he once submitted their ages as 70 and 75 both b. NY, then wrote a mutual corresp. that Jane was b. Scotland. Also he wrote of a Rev. War Record for Joseph with two women claiming the pension, confusing subject with the older Joseph (1-2-11-8) b. 1768 of Volume 1).

1856 - Named in father's estate settlement.

1860 - Union Twp., DeKalb Co., IN, Joseph 50, b. VA (occupation: Ash Cat/Ashery) & Jane 49, b. NY. Ebenezer, 23; Charles, 19; Drucilla, 18; James, 14, Ruper, 10. Ebenezer b. OH, all other ch. shown b. IN.

1860 - Father's enum. not noted. (I found: w/parents in Union Twp., Dekalb Co., IN, age 19, a laborer, b. IN./rwd)

1863 - Trad. served in the Civil War. Likely was the Charles of Co. C 30th IN Infantry. (in which brother Ebenezer served) although age of 24 is a little high. Also this muster record reportedly gives birth as Steuben Co., IN.

1867 - Md. DeKalb Co., IN, 30 Oct, Sarah A. Fisher. She b. OH, 1850-1.

1885? - Harvey wrote T. Palmer that a Joseph b. PA; d. 1885, age 95; bur. Waterloo, DeKalb Co. This record despite the excessive age and state of birth, may be a clue to subject's death and burial. He reported it as a government headstone, which seems questionable and thus may refer to a much younger man -- he was too young for the War of 1812, too old for Civil War, and few Ohioans served in the Mexican War.

Children:

5-2-2-1-2-1 (DAUGHTER) b. 1825-30, under 5 in 1830. Either she was listed incorrectly as under 10 in 1840, or else she d.y. and another unknown dau. was born 1830-35. Or see next.

5-2-2-1-2-2 (SON) b. 1825-30, age 10-14 in 1840 yet not included in the household in 1830. Perhaps a plausible explanation for a daughter born before 1830 per 1830 census but a son before 1830 per 1840 census is that the first born was a son and inadvertently counted as a dau. in 1830.

5-2-2-1-2-3 JOHN b. 1831-2 in OH, age 5-9 in 1840, 18 in 1850. He is listed last in the 1850 household. Was this because he was overlooked as the chronological entries were made, because he was by an earlier wife, or because he was a relative other than a son?

5-2-2-1-2-4 SILVA b. 1836-7 in OH, age 0-4 in 1840, 13 in 1850. She md. 30 Sep 1855 in DeKalb Co., Henry Tucker (Ref. LDS)

**5-2-2-1-4 JAMES b. VA prob. ca. 1806; md. Barbara Elizabeth Fair.*

JAMES (5-2-2-1-4) b. VA, prob. c. 1806.

1810 - The middle of three males age 0-9.

1816 - Taken to Miami Co., OH about this time.

1820 - The middle of three males age 10-15.

1830 - Gone from home.

1833 - Md. (Miami Co., OH?) 11 Nov. 1833 Barbara Elizabeth Fair. She b. prob. 1813-4 in MD per 1860 census (1850 census says 1816-7 and the History of DeKalb Co. (1914) says b. PA.)

1838 - The History of DeKalb Co. says he settled Butler Twp., DeKalb Co. IN when son Henry (b. 1836) was 2. This correlates with probably settlement dates in DeKalb for older brothers G.W. & Jos. Jr. It adds he later settled in Fairfield Twp. No mention is made of Perry Twp., Allen Co. where we find him by 1840.

1840 - Perry Twp., Allen Co. 100001/01001.

1850 - Perry Twp. age 40, b. VA and she 33, b. MD. Too young for him (see 1860) so perhaps a bit too young for her.

1860 - Perry Twp. age 54, b. VA which seems the best approximation for him based on father's 1810 and 1820 censuses. Wife was 46, b. MD, suggested as best approximation for her.

1867 - Thelma Palmer had his death as 1867, age 68-8-2, which is far too old compared to all censuses. Perhaps it was a misreading of a t.s. which might have read age 63-8-2.

1870 -

1878 - She d. 3 Sep 1878 (source?).

Children:

5-2-2-1-4-1 PHILENA ELLEN b. 25 Sep 1834 in OH, 16 in 1850; d. 25 Oct 1923, age 93-1-0. Md. 1st

5-2-2-1-4-5 EMMALISSA JANE b. 6 Oct 1851, md. DeKalb Co., Jan 21, 1869 as Emily J. to John H. Bangs. History of DeKalb Co. calls her Emma Bangs who moved to Montana. An old source says she md. Joseph A. "Bird" Jones b. 23 Nov 1854. This may rather be the Jones who married Philena above, though Bird was reportedly much younger than Philena

5-2-2-1-4-5-1 John Ray Bangs b. 28 Jul 1935.
5-2-2-1-4-5-2 Ray Bangs (sounds suspiciously like the same person).

Children:

**5-2-2-1-5-1 ASA b. 1834; md. Elizabeth Pottee or Pates.*

5-2-2-1-5-2 SOLOMON b. __ Mar 1836 in OH, 14 in 1850. Mustered into Co. B, 101st IN Infantry at Bluffton 1862, age 26. He was 23 in 1860 census, 33 in 1870, 43 in 1880. Unmarried in 1887; 64 in Harrison Twp., in 1900 a boarder in home of Wm. Bourman, in Wells Co.

5-2-2-1-5-3 GEORGE b. in Miami Co., OH, prob. 8 Jul 1840 as appears in an LDS record which however erroneously says Wells Co., IN. He was 11 in 1850 census, 19 in 1860, 29 in 1870. He was 21 when mustered into Company A, 34th IN Infantry at Anderson, IN, in 1861. Md. 17 or 20 Dec 1877 (LDS presumably from Co. record) Sarah Elizabeth Cole. She b. 1852-3. They lived next to his father in Lancaster Twp., in 1880, George 38, Sarah E. 27, b. OH of NY father and OH mother. In the home was Oliver M. Cole, age 4, see under sister Mary below. George died before 1900 when we find Sarah E. in Lancaster Twp. age 57 b. Jun 1852 in OH. With her were nephew Ralph Thomas b. Jul 1879, niece Ethel Thomas b. Jun 1882 and nephew Oliver M. Cole age 24, again see under Mary below.

**5-2-2-1-5-4 JOSEPH b. 1849 in IN; md. Louisa Mary Brinckley.*

5-2-2-1-5-5 MARY ANN b. 1852-3 in IN, 7 in 1860; md. 15 Apr 1875 Charles Cole in Wells Co.

Children:

5-2-2-1-5-5-1 Oliver M. Cole b. Feb 1876 per 1900 census. He was 4 in 1880, living with George and Sarah Eliz (Cole) DeLong, relationship listed as "N" which perhaps means nephew and with widow Sarah Eliz. in 1900 when he was apparently clearly identified as nephew. Until we are more sure of the information, we must reserve the possibility that George's wife was a widow Cole and sister to the husband of Mary Ann, and Oliver was thus nephew to both George and Sarah E.

Note: Also in Bluffton 1870, and still there in 1880 was HENRY DELONG prob. b. OH 1846-7 (per 1870; 1800 indicates 1850-1 in IN) with wife Rachel and family. He was obviously not a s/o Alexander nor can I suggest him as a nephew. He is to be found in Vol. 8 under Indiana: Wells County.

1860 census Lancaster Twp., Wells Co., IN: (July 10, 1860)
820 750 Alexander Delong 54 m Farmer 2500 1200 Virginia (b. ca 1806)(*)
Elizabeth " 50 f Ohio (b. ca 1810)
Solomon " 23 m Farmer 200 " (b. ca 1837)

George " 19 m Farmer " (b. ca 1841)
Joseph " 9 m Indiana (b. ca 1851)
Mary A. " 7 f " (b. ca 1853)

4/21/97 very soon will write JDB to find if he knows what Vol. of Delongs above belong in. I could not locate any candidates in Vol. 1,3,4,13, Can. Only likely Alexander was b. 1809 and a member of Vol. 5, as this is an incomplete Vol. for me that's all I know. 5/1/97 JDB writes back that my guess was correct.
(*)- JDB says too old but it does read this way.

JDB says Alexander Delong (5-2-2-1-5) settled Wells Co., IN in 1847.

SOLOMON (5-2-2-1-7) b. 10 Sep 1815 in Botetourt Co., VA [Ref. Mrs. Scurr] and is the most likely date though other dates will be encountered below.

1816 - Taken to OH about this time.

1820 - The son age 0-9.

1830 - The son age 15-19.

1830s - Said to have been an early explorer in DeKalb Co., IN. This is not unreasonable as three older brothers settled there 1838-9 and he was to live there after his marriage.

1837 - likely the Solomon who purchased 55.75 acres W1/2SE__, Sec 6, Twp., 33N, Range 15E (DeKalb Co., IN) signature date 3/15/1837.

1840 -

1841 - He crossed back into western OH and md. 21 Aug 1841 in Defiance Co. Mariah Landis. She b. 11 Dec 1821 in Preble Co., OH d/o David and Mary Landis. (Paulding Co., OH marriage record: Delong, Solomon Maria Landis Aug 26, 1841.)

1850 - Newville, DeKalb Co. age 39, b. VA, which gives birth of 1810-1 which could barely fit the 1820 and 1830 censuses, but is likely too early in view of Scurr's family data. Mariah was 28 and b. OH.

1860 - Newville 41 b. VA. Which age is also doubtful making him younger than the Scurr date while 1850 made him older. This also puts him outside his 1830 age category. Mariah was 38 and b. in OH.

1862 - Resigned or more likely received 2d Lt. commission, 44th Ind. Inf. 19 Dec 1862.

1864 - He was promoted from 2d Lt. to 1st Lt. at Waterloo, DeKalb Co., Co. F. of the 44th. At this time he was 45 which points to birth 1818-9, again too young for his 1830 census category.

1864 - Served field and staff; promoted to Major.

18xx - A Solomon was Lt. Col., 129th Ind. Inf. per Historical Register of US Army 1789-1903, p. 94. If this were Civil War service, then it is likely our subject.

1870 -

1873 - will DeKalb Co., 18 Mar 1873, names wife Mariah, sons George, David D., Alfred, Alva L., Joseph S.

1873 - He d. 17 Apr 1873 in Newville, DeKalb Co., IN.

1880 - She was 58 in Newville, b. OH of PA parents, living alone. Her sons George and Joseph both erron. claimed a PA mother in this census.
1912 - She d. 28 March 1912 in Chicago; bur. Newville.

Children:

5-2-2-1-7-1 JOHN L. b. __Apr 1842 in IN, 8 in 1850, 18 in 1860. Served Co. E, 11th I.V.I., wounded at Ft. Donaldson; d. 26 Mar 1862 near New Albany, IN, age 19-11-18. Service recorded on t.s. Newville Cemetery.

**5-2-2-1-7-3 DAVID DENMON b. 1846; md. Emmalyza "Emma" Lete Knepper.*

5-2-2-1-7-4 ALFRED S. b. 1847-8, 2 in 1850, 12 in 1860. He lied about his age, stating 18, when mustered into Co. F, 129th Ind. Inf, Newville, 1863. Died 28 Apr 1873.

5-2-2-1-7-5 ALVA L. (not Albert) b. prob. late 1850, 10 in 1860, named in father's 1873 will. He appears somewhere as Albert in a family list, perhaps just a typo.

5-2-2-1-7-6 MORRIS/MAURICE b. 19 Mar 1855; d. 21 Aug 1858, age 3-5-21.

5-2-2-1-7-7 JOSEPH S. b. 1852; md. Fidellis Horisington.

Note: A tradition says three of the seven sons died at an early age, however five were living as late as 1873, the youngest of them 21.

Biography of Gilbert I. Patterson, pages 746 / 747. History of De Kalb County, Indiana. Inter-State Publishing Company, Chicago, 1885.

Gilbert I. Patterson.-Among the prominent citizens of De Kalb County, none are more worthy of notice than the gentleman, whose name stands at the head of this sketch. He was born near Canandaigua, N.Y., April 5, 1834. He is a twin son of William and Rachel (Ireland) Patterson, native of New York, and probably of Irish descent. In 1836 they settled in Steuben County, then a dense wilderness. In 1838 Mr. Patterson died, leaving his wife with six children to care for. After this our subject lived with John R. Moody, his brother-in-law, in De Kalb County, till of age, at which time he went on a prospecting tour through the Western States and purchased land at Government price in Waupaca County, Wis. March 10, 1859, he was married to Mary Ann, daughter of George De Long, and early settler of De Kalb County, and with his wife moved to their new home in the West, remaining there about three years. In the fall of 1861 they returned to this county where his wife died March 28, 1862, leaving one son---John R., who died aged about three years. The following August he sold his Wisconsin property and enlisted Oct. 12, 1862, in Company H, Thirtieth Indiana Infantry, serving ten months. He was discharged July 31, 1863, and then took another trip West, going through Texas and New Mexico, returning in 1864, and in November of that year enlisted in Company H, Fifty-third Indiana Infantry, and served till the close of the war, participating in the grand military review in Washington, June, 1865; was discharged July 21, 1865, at Indianapolis and returned to his home in De Kalb County. March 1, 1866, he was married to Mrs. Eliza E., widow of Harry McClellan, and daughter of John T. George. He lived on a farm west of Corunna one summer, and then purchased where he now lives in Richland Township, owning at this time 140 acres of highly improved land. Five children have been born to Mr. and Mrs. Patterson---Mary Ann, Clara Ellen, Amy Estella, Ida Irene and Rosa. Mr. Patterson has held many local offices of trust and responsibility. Politically he is a Democrat. He and his wife are members of the German Baptist church. Mr. Patterson is a self-made man in every sense of the term, and from his means, which are ample, contributes with unstinted hand to every laudable enterprise, calculated to benefit the public.

A CHANGED HEART
COLOSSIANS 3:12-14

Therefore, as God's chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness and patience. 13 Bear with each other and forgive whatever grievances you may have against one another. Forgive as the Lord forgave you. 14 And over all these virtues put on love, which binds them all together in perfect unity.

Four Dangers

1. That you choose not to "take off" those things that belong to your earthly nature. (This must be very intentional)
Col. 3:5 Put to death, therefore, whatever belongs to your earthly nature:

2. That you take off your earthly nature but you don't replace those garments with a Godly nature.
Col. 3:12 Therefore, as God's chosen people, holy and dearly loved, clothe yourselves.

3. That you choose to "put on" the garments that Paul is suggesting over your earthly nature. Wrong foundation

4. That you put on the new "garments" Completely, or in the wrong order.
Col. 3:12 Therefore, as God's chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness and patience.

How Should We Get Spiritually Dressed? Relationships

COMPASSION - This is not pity, but a true concern for others and their well-being.
Col. 3:12 Put on, therefore, as choice ones of God, holy and beloved, bowels of mercies, kindness, . . .

KINDNESS - This is the ______________ which follows ______________.

HUMILITY - (humbleness of mind).

GENTLENESS - This is the action that follows ______________________. It says that "I refuse to DEMAND my rights." Power under control

PATIENCE - The ability to endure injustice or injury without or Revenge retaliation.
Col. 3:13 Bear with each other and forgive whatever grievances you may have against one another. Forgive as the Lord forgave you.

LOVE - agapē
Col. 3:14 And over all these virtues put on love, which binds them all together in perfect unity.

Prayer Chain

If you have a prayer request throughout the week please forward it to Cheryl Ballard at suncatcher55@yahoo.com or 637-8365. For those who want to be contacted but do not have email please submit your name to Leola Nelson.

BETHEL EAST CEMETERY

formerly

BETHEL TOWNSHIP CEMETERY
or
BETHEL GERMAN REFORMED CHURCH CEMETERY

Researched and compiled by
Judith Hiller Harris and Mary Ann Craig Booher

Every attempt has been made to make this list as complete and accurate as possible. Each stone was read, records of Bethel German Reformed Church, Brandt Luthern Church, Bethel Township Trustees and previously published readings were used. Also consulted were Repair lists of previous caretakers, Ohio Historical Society, State of Ohio, Miami and Montgomery Cos., Death Certificates and Bible Records. We spoke with many of the relatives as well. We were able to place names on some of the unknown graves. We were also able to restore some tombstones to there rightful place. Not all information is from tombstones, but the result of many years research.

Graves marked empty...were probed and nothing found. Those marked unmarked"UNM" unknown, were probed and believed to be occupied.

Abbreviations used: b:=born, d:=died, d/o=daughter of, s/o=son of
ag=age w/o=wife of, s/s=same stone, fm= family marker
UNM=unmarked grave, btb=believed to be b/s=broken stone

While researching the cemetery we learned the maiden names of many of the woman. These will be found [Smith] behind the name
We were also provided with a list of owners of the Lots and this also included.

Mary Ann Booher

The cemetery was read from the South to the north, starting along St. Rt. 202 (Old Troy Pike) and moving toward the back of the cemetery at the fencerow.

BETHEL TOWNSHIP

The southeastern most division of the county, called Bethel Township, will finish this account of the twelve little commonwealths that make up the body politic of the county proper. The boundaries of Bethel as formed by the county commissioners at their first meeting have never been changed. The first settlement of the township goes back to the life of the Dutch Station at Staunton. One Thomas Stockstill, a Tennesseean, who became disgusted with the system of slavery which prevailed in the South at the close of the eighteenth century, left his father's roof and finally settled in the northeast corner of the township. It was probably the first actual settlement in the county, as it was made in 1790. Stockstill came north as a youth; growing to manhood among the woods of Bethel and lived to become one of the township's most useful citizens. After Stockstill's coming, others, attracted by the beauty of the land in Bethel, erected homes there and opened up the region. Among these were David Morris, Sr., a New Jersey man; Robert and John Crawford, Samuel Morrison, Mordecai Mendenhall, John Ross, Daniel Agenbrood, the Saylors, Puterbaughs, Claytons, Ellises, Studebakers and Newcombs. Some of these people were of the Dunkard persuasion, a class of inhabitants noted for their honesty, good habits and worth. This little colony soon made Bethel Township one of the most desirable in the county, and their presence there induced other immigrants to share their fortunes. They represented several of the original states of the American Union.v

Bethel Township experienced certain hardships which were not visited upon her neighbors. Lost Creek Township suffered during the famous cholera epidemic, but Bethel fell a prey to fever and other diseases, owing to a poor system of drainage in the marshy region in the northeast corner of the township. This state of affairs discouraged some of the most hopeful of the population. There were few doctors those days, and they were of a school not very progressive. Then they were few and far between, and the various diseases spread so rapidly that for a time the mortality was very great. The lance and calomel were the stock in trade of the old physicians and they were ever administered without stint and to the detriment of the sufferers. At one time it looked as though a portion of the township would be depopulated. The few carpenters within the disease belt transformed themselves into undertakers, and night and day they were busy burying the dead. No system of embalming was known. To the credit of the self-constituted undertakers be it said that they refused compensation for their services. At last the low lands were drained, and almost like magic the sickness disappeared, but it had populated many a little cemetery and filled more than

one community with mourning.

Besides this strange death sickness, Bethel Township experienced during her early history some trouble with Indians. The savages found excellent lurking places among the hills that are to be found in some parts of the township, and from these they made frequent incursions into the neighboring country. On one of these occasions a young girl named Hacker was overtaken, scalped and left for dead on the ground. She was found in an unconscious condition after the departure of the Indians and conveyed to her home. The victim of the assault not only recovered, but raised a new crop of hair, and also a family. In course of time the Indian demonstrations ceased and the inhabitants of Bethel Township enjoyed a long period of peace.

BRANDT and **WEST CHARLESTON** are the largest villages in Bethel Township. The former is situated on the famous National Pike and contains about 200 inhabitants. It was founded in 1839. Being some distance from a railroad, it has not made the growth it otherwise would have done. John Dinsmore was the first tavern keeper in Brandt, which place was at one time famous for a plow factory installed by Wilmington and King. When the building of new pikes became one of the features of Bethel Township, the old National Road fell into disuse and much of the former glory of Brandt vanished. It has now several stores, a postoffice, one or more churches, and several nurseries which have more than local significance.

West Charleston is one of the oldest towns in the county and was laid out by Charles Friend in 1807. The town lies on the Troy and Dayton Pike, which road, it is asserted, was originally cut out as a trace by General Wayne. For some years West Charleston maintained considerable importance, but when it eame to be missed by the canal and the railroad, it lost much of its former prestige and developed into a quiet village. Today it contains probably 200 souls. Not far away are found the "Charleston Falls, which of late years have become a summer resort for the contiguous country. The "Falls possess much natural beauty and are contiguous with some of the most interesting legends of Bethel Township. In concluding the history of the townships of Miami County I have been briefer than they deserve. Much could yet be told concerning them. Some of their statistical history will be found in another part of this work. Perhaps in no other county in the, state is there a history so interesting as ours. During the first century of its existence Miami County has made prodigious strides along the highway of progress, and to this glorious consummation may proudly take for its motto the phrase the several townships have worked in unison Eachs township within our borders may proudly take for its motto the phrase "Imperium in imperio."

dollars. In signing off on this property, Hannah used her mark, for she could not write.

In later years, Daniel moved to Steuben County and continued farming. His sons Alfred and Elias developed valuable farms and livestock in DeKalb County. Jeremiah established himself in Steuben County and carried on the family tradition of farming.

JEREMIAH KEPLER, born in Ohio, 3 October 1834. He was the first child of Daniel and Hannah (Boyer) Kepler, both from Pennsylvania. Jeremiah was three years old when his parents moved into DeKalb County, Indiana. Very little is known about his childhood years, but he must have seen a few of the vanishing Potawatomie Indians and the staging events that led to the Civil War.

In 1853 on Christmas Day, Samuel Dunham, Justice of the Peace, joined Susannah Griffith and Jeremiah in marriage. Susannah is the daughter of John and Jemima (Gossage) Griffith, both early DeKalb County settlers.

In Steuben and DeKalb Counties, farming was the leading occupation and a way of life. Jeremiah established his farming career in Steuben County near Fish Lake. He reared six children to maturity. They were Frank, Burton J., Charles, Eliza, Frances E., and Jeremiah B. Caring for the horses and other farm chores kept his children occupied and provided the basic training for future farmers.

When his father-in-law, John Griffith, died, he inherited a share of the Griffith farm. This share was sold immediately to his brother-in-law, Leman Griffith, for the small sum of one hundred and seventy-three dollars. It is believed that the low price was in the spirit of goodwill and to assist in smoothly settling the estate. Two years later, Leman died from a wound he received at the Battle of Chickamauga.

Most of the land Jeremiah owned and farmed was east of Hamilton Lake. In 1870, he sold ninety-seven acres to Simpson Watkins for the sum of three thousand five hundred dollars. This land was later developed by the Watkins' into the well known lake resort, Cold Springs.

You can't stop progress, but Jeremiah knew how to handle certain situation with forethought. An example of this would be his selling the railroad right of way in 1890. He had O.D. Ashley, Railroad Trustee, agree to install fences on both sides, one over bridge wagon crossing and one grade wagon crossing. In addition to the sale price of four hundred dollars, the railroad would have to maintain the crossing in good repair.

Jeremiah had a long and full life in and around Hamilton, Indiana. He died 7 February 1916, at the age of eighty-two. His sons, Burton J., Jeremiah B., Frank, and Charles maintained residence in Steuben County.
